

QUAY COUNTY LL 2026 SAFE SUMMARY

League Location: Tucumcari, NM

League ID: 4310307

QUAY COUNTY LL 2026 SAFE SUMMARY

Dear Volunteers, Parents/Guardians, and Players:

QUAY COUNTY LL is committed to providing a safe, welcoming environment where every player, volunteer, and family feels supported. Safety is an important part of every season, and we believe it is a shared responsibility that helps everyone enjoy the game with confidence and peace of mind.

As part of Little League SAFE, our league has confirmed the steps we take to protect children, prepare volunteers, and maintain safe facilities and playing conditions. From equipment checks and emergency planning to strong child protection practices and volunteer training, our goal is to create a positive, fun, and secure experience for every participant.

Thank you for being part of a community that puts kids first and works together to help ensure a safe, memorable Little League season.

Sincerely,

QUAY COUNTY LL Board of Directors

LEAGUE LEADERSHIP AND CONTACTS

Keeping contact information up to date helps volunteers know exactly who to reach when questions or safety concerns arise.

Primary Contacts

Haily Wallace

League President

Quaycountyouthsports@gmail.com

[5052639377](tel:5052639377)

Justin Garcia

League Safety Officer

Justingarcia17@yahoo.com

[575-403-7061](tel:575-403-7061)

KEN ABEYTA

District Administrator

kenabeyta@gmail.com

Dustin Walton

District Safety Officer

djwalton93@aol.com

Best Practice: Share a simple "Who to Contact" list with managers, coaches, and volunteers so everyone knows where to go for help during the season.

CHILD PROTECTION

Little League requires every chartered league to follow a set of core child protection policies to help keep children safe. Protecting players is our highest priority, and these policies ensure volunteers understand their responsibilities both on and off the field.

Your league has confirmed that all of the following policies are in place:

1. Annual Background Checks

QUAY COUNTY LL confirms that all volunteers with regular contact with players complete annual background checks through J.D. Palatine (JDP), as required by Little League Regulation I(c) 8 and 9. Anyone with a disqualifying offense is prohibited from participating in any Little League activity. Background check laws vary across the country, and any additional requirements that apply to your league can be found at <https://www.littleleague.org/player-safety/child-protection-program/state-laws-background-checks-leagues/>. Your league is responsible for understanding and complying with any applicable state laws regarding background checks.

2. Annual Abuse Awareness Training

QUAY COUNTY LL requires all volunteers to complete the Little League Abuse Awareness Training each year before assuming any duties. This training helps volunteers recognize, prevent, and respond to misconduct and abuse. Little League Abuse Awareness Training can be found at <https://www.littleleague.org/university/articles/abuse-awareness-training-course/>

3. Mandatory Reporting of Child Abuse

QUAY COUNTY LL acknowledges that all volunteers are mandatory reporters under federal law and must report suspected child abuse, including sexual abuse, to the proper authorities within 24 hours. Reports should also be shared with the League President and District Administrator. State reporting requirements vary, and any laws that apply to your league can be found at <https://www.littleleague.org/player-safety/child-protection-program/state-specific-information-child-abuse/>. Your league is responsible for understanding and complying with any applicable state laws.

4. Non-Retaliation Policy

QUAY COUNTY LL has adopted a policy that prohibits retaliation against anyone who makes a good-faith report of suspected abuse or misconduct. This ensures volunteers feel safe coming forward with concerns.

5. One-on-One Interaction Policy

QUAY COUNTY LL has adopted the Little League One-on-One Interaction Policy, which requires that all interactions between adults and minors be observable and interruptible by another adult. This reduces opportunities for misconduct while still supporting positive mentoring relationships.

Best Practice: Reinforce child protection expectations clearly and consistently so volunteers know what to do and who to contact.

- Review expectations with all volunteers at the start of each season.
- Make reporting steps clear and easy to follow.
- Keep child protection policies easily accessible.

Additional information provided by your league:

MANDATORY SAFETY AND FUNDAMENTAL TRAINING

Mandatory Coaches, Managers, Safety Coordinators

All team managers and coaches will be required to attend and satisfactorily complete a mandatory training in baseball or softball fundamentals. First Aid Training will be offered at these trainings, as well as Basic Safety Training (I.E.- inclement weather, darkness, drug, alcohol and tobacco awareness, etc.). These 'clinics' will also include "basics" (I.E.-sliding, bunting, batting, pitching, warm-ups, etc.).

ALL TRAINING IS TO BE COMPLETED PRIOR TO STARTING SPRING PRACTICE.

Date: To Be Determined

What to bring: Note Pad, Pen, and Players Forms

Prior to the meeting, coaches and managers are to complete the free concussion training course and bring the certificate of completion to the meeting.

HEADS UP to Youth Sports: Coaches –Training can be accessed at:

<https://www.cdc.gov/headsup/youthsports/coach.html>

USA BASE Abuse Awareness Training : Training can be accessed at:

<https://www.littleleague.org/player-safety/child-protection-program/safesport-resources-parents/>

Safety Awareness Training: Training can be accessed at:

<https://www.littleleague.org/university/articles/safety-awareness-training-course/>

Little League® Child Protection Program

The safety and well-being of all participants in Little League is paramount. Little League does not tolerate any type of abuse against a minor, including but not limited to, sexual, physical, mental and emotional (as well as any type of bullying, hazing or harassment). Little League's goal is to prevent child abuse from occurring through required screenings, mandatory background training and education.

Read the Little League Child Protection Program in its entirety at <https://www.littleleague.org/downloads/ll-child-protection-program/>

Complete Background Checks: Utilize the Little League Volunteer application form to conduct annual background checks through J.D. Palatine (JDP) on volunteers and prohibit anyone with any offenses that would disqualify them as a participant in any Little League activity.

Mandatory Training & Continuing Education: Annually require all volunteers to complete the Little League Abuse Awareness Training. The league is responsible for ensuring all volunteers have completed the training.

Little League Abuse Awareness Training provides resources to create a positive and safe environment for all athletes, coaches, parents, legal guardians, and umpires by understanding how to recognize misconduct and abuse of all types.

The training can be accessed at <https://www.littleleague.org/university/articles/abuse-awareness-training-course/>

Mandatory Reporting Requirements: Report Child Abuse, including sexual abuse involving a minor, to the proper authorities within 24 hours.

Non-Retaliation for Reporting: This prohibits retaliation against “good faith” reports of child abuse.

Prohibit One-On-One Interactions: Limit one-on-one contact with minors without being in an observable and interruptible distance from another adult.

Additional Resources: additional efforts to protect children. See information below for free access to parents, volunteers, umpires, as well as minors.

EMERGENCY PREPAREDNESS

Being prepared for unexpected situations helps keep players, volunteers, and families safe. The information below highlights the emergency procedures and contacts in place during all league activities.

Emergency Contacts

- In any emergency situation, volunteers should immediately **call 911**
- Poison Control is also available nationwide at **1-800-222-1222**

Local Emergency Contacts

- **Police Department:** 575-461-2280
- **Fire Department:** 575-461-4400
- **EMS:** 575-461-2561
- **Local Hospital:** 575-461-7000

Emergency Action Plan

Emergencies can happen when you least expect them. A clear and accessible EAP helps volunteers respond quickly, communicate effectively, and take the right steps to keep players and families safe.

QUAY COUNTY LL has an Emergency Action Plan in place. Regularly reviewing this plan with volunteers and players helps ensure everyone knows how to respond quickly and confidently during an emergency.

Additional information provided by your league:

If in need of an ambulance or law enforcement, contact:

Quay County Central Dispatch 575-461-2280 or call 911

Approaching Thunderstorm

1. Take caution when you hear thunder. If you hear thunder, you are close enough to get struck by lightning. During a game, the umpire will clear the field in the event of an approaching storm.
2. Move to a safe environment immediately. Do not go under a tree or stay in the dugout.
3. If lightening is occurring and there is not sturdy shelter near, get inside a hard top automobile and keep the window up.
4. Stay away from water, metal pipes, and telephone lines.
5. Unplug appliances not necessary for obtaining weather information. Avoid the telephone except for emergency use only.
6. Turn off air conditioners.
7. Games are to be suspended for 30 minutes when lightning strike is within 10 miles. Game may resume if no lightening is withing 10 miles for 30 minutes. The clock resets each time a new lightning strike within 10 miles happens.
8. Monitoring the weather with electronic lightning detection systems (weather apps - i.e. Weather Bug's Spark function) is recommended.

If caught outdoors & no shelter exists

1. Find a low spot away from trees, fences, light poles, and flagpoles. Make sure the site you pick is not prone to flooding.
2. If in the woods, take cover under shorter trees.
3. If you feel your skin begin to tingle or your hair feels like it's standing on end, squat low to the ground, balancing on the balls of your feet. Make yourself the smallest possible target, tuck your head between your legs, and minimize your contact with the ground.

What to do if someone is struck by lightning

1. The person who has been struck will carry no electrical charge; therefore, they are safe to touch and start CPR.
2. Call 9-1-1 as soon as possible for help.

3. Check for burns to the body.
4. Give first aid as needed.
5. If breathing and/or heartbeat have stopped, perform CPR until EMS arrives.
6. Contact the league Safety Officer or President ASAP.

Emergency Preparedness Resources:

- Little League Lightning & Severe Weather Safety Guidelines
(<https://www.littleleague.org/university/articles/staying-safe-from-lightning-at-the-field/>)

FIRST AID & INJURY PREVENTION

A prepared volunteer is better equipped to respond when injuries or medical situations occur. Below is an overview of the first aid training, equipment, and safety practices in place for the season.

First Aid Training

First aid training helps volunteers respond effectively when injuries or emergencies happen. These trainings reinforce skills such as:

- Treating minor injuries
- Managing bleeding and nosebleeds
- Recognizing potential fractures or serious injuries
- Identifying head-injury symptoms
- Responding to heat-related illness
- Treating allergic reactions
- Knowing when to call 911

First aid training requirements for QUAY COUNTY LL:

- Little League First Aid Awareness Training: **Required**
- Formal First Aid Certification: **Recommended**
- CPR Certification and AED Use Training: **Recommended**

First Aid Kits

Accessible first aid supplies help volunteers respond quickly when an injury occurs. Keeping first aid kits stocked and easy to reach helps volunteers respond quickly during games and practices. Every team in QUAY COUNTY LL has a first aid kit available at games and practices.

Recommended First Aid Kit Contents:

- Adhesive bandages (various sizes)
- Sterile gauze pads and rolled gauze
- Antiseptic wipes
- Instant cold packs
- Elastic wraps
- Tweezers and disposable gloves
- Nosebleed supplies (gauze, tissues)
- Small splint or finger splint
- CPR mask or face shield
- Allergy/sting relief wipes
- Cold Packs
- Tape and scissors

Best Practice: Each team should receive its first aid kit at the start of the season. First aid kits should travel with the team and be kept in an easy-to-reach spot during both games and practices.

Concussion Awareness

QUAY COUNTY LL has confirmed that it follows required concussion training and has a protocol in place for recognizing and responding to potential head injuries during practices and games. Little League encourages all volunteers to follow the "When in doubt, sit them out" approach so players are removed from play immediately if a concussion is suspected.

Common signs and symptoms of a possible concussion include:

- Headache or pressure in the head
- Dizziness or balance problems
- Confusion, memory issues, or appearing "out of it"
- Nausea or vomiting
- Blurred vision or sensitivity to light or noise
- Behavior that seems unusual for the player

State concussion laws vary across the country. Some apply only to school athletics, while others apply to all youth sports organizations. State-specific information can be found at: <https://www.littleleague.org/player-safety/concussions-youth-athletes/>. Your league is responsible for understanding and complying with any applicable state laws.

Best Practice: If a concussion is suspected, volunteers should follow these steps:

- Remove the player from play immediately
- Ensure the player is monitored by an adult
- Refer the player to a licensed health care professional for evaluation
- Do not allow return to play on the same day
- Require written medical clearance before the player resumes practices or games

Access to Automated External Defibrillators (AED)

AEDs can play a lifesaving role during sudden cardiac emergencies, and clear access helps volunteers respond quickly when every second matters.

QUAY COUNTY LL has reported that it does not currently have any AEDs available.

Best Practice: AEDs are most effective when:

- Volunteers know the exact location of each device
- Devices are accessible during practices and games
- Batteries and pads are checked and replaced as needed
- Multiple volunteers are trained in basic AED use

State laws addressing AED access and sudden cardiac arrest (SCA) training can vary across the country. Some requirements apply only to school facilities or interscholastic athletics, while others extend to youth sports organizations or municipal fields. State-specific requirements for AEDs can be found at: <https://www.littleleague.org/player-safety/state-laws-on-automated-external-defibrillators/>

State specific requirements for SCA training can be found at: <https://www.littleleague.org/player-safety/state-laws-on-sudden-cardiac-arrest-training/>.

Your league is responsible for understanding and complying with any applicable state laws.

Additional information provided by your league:

WRITTEN ACCIDENT REPORTING PROCEDURES

(Official league reporting forms are available at each concession or field)

What to report: an incident that causes any player, manager, coach, umpire, or other individual to receive medical attention. This includes even passive treatment confined to the evaluation of an injury or a suspected head injury. "Better to report, than not to report"!

When & How to make the report: all such incidents must be reported to the league Safety

Director within 24 hours of the incident and shall include:

- Name and phone number of the individual involved
- Date, time and location of the incident
- Description of the incident (include any first aid on the scene)
- Name and number of the individual making the report.

Please remember to send all information to the Safety Officer within 24 hours of the incident.

This notification is an essential responsibility of the league and all the adults involved. Serious injuries should be reported to District immediately.

* Injuries requiring medical attention, or any head injury must be reported within 24 hours of the incident. Guidelines for such are outlined herein. League safety officer is to be notified, reports are to be written and given directly to the league's safety officer.

Safety Officer: Justin Garcia 575-403-7061

First Aid Kits

All team managers will be provided first aid kits by sponsorship or league fees, or an appropriate first aid kit will be available AT ALL TIMES at each field facility, including and especially during practices, games, and any team events. There will be a first aid kit at each of the equipment rooms. The team managers will notify the league Safety Officers when re-stock items are necessary.

First Aid & Injury Prevention Resources:

- First Aid Kit Checklist (<https://www.littleleague.org/university/articles/first-aid-kits-an-items-list/>)
- Little League First Aid Awareness Training (<https://www.littleleague.org/university/articles/first-aid-awareness-training-course/>)
- CDC Heads Up – Concussion Resources (<https://www.cdc.gov/heads-up/>)
- State-Specific Concussion Laws (<https://www.littleleague.org/player-safety/concussions-youth-athletes/>)
- State-Specific AED Laws (<https://www.littleleague.org/player-safety/state-laws-on-automated-external-defibrillators/>)
- State-Specific SCA Training Laws (<https://www.littleleague.org/player-safety/state-laws-on-sudden-cardiac-arrest-training/>)

EQUIPMENT SAFETY

Safe, well-maintained equipment helps prevent injuries and supports a positive playing experience. The information below reflects how playing equipment is inspected and monitored throughout the season.

Batting Helmets

All batting helmets must be NOCSAE-certified and free of cracks, dents, or deteriorating padding.

- Helmets are inspected at the start of the season and as needed
- Damaged or ill-fitting helmets are removed from use immediately
- Non-OEM (non-manufacturer) modifications are prohibited
- Properly fitted, undamaged helmets play an important role in preventing head injuries

Catcher's Gear

Catcher's equipment must be complete, well-maintained, and properly fitted for each player. A full set includes:

- Helmet with full face mask
- Dangling throat guard (required)
- Chest protector
- Leg guards

Equipment Inspections

At QUAY COUNTY LL, coach/manager, equipment manager, safety officer carry out regular equipment inspections throughout the season. These checks help identify items that should be repaired or removed from use.

- Unsafe or excessively worn equipment should be removed immediately
- Routine inspections help ensure players are always using equipment that will keep them safe from injury

Best Practice: Teach players to do quick self-checks of their helmets and gear before practices and games. Helping players look for cracks, loose padding, or missing pieces builds good habits and supports a shared culture of safety.

Additional information provided by your league:

Equipment: Helmets should be snug fitting with chin straps attached. Catchers' gear is needed at all levels; masks must have a throat protector in place. Female catchers need PPE. Bats must not be swung in the dugout. Level 10 RIF (reduced injury factor) balls and double first bases are used at Tee Ball. Break away safety bases are used on all fields. Balls used must meet Little League specifications and standards.

Safe Equipment:

All equipment shall be inspected before each use. Regular safety inspection of equipment is essential. Managers, coaches, and umpires should:

1. Be sure all equipment is LL approved
2. Inspect all bats, helmets, and other equipment on a regular basis. Dispose of unsafe equipment properly.
3. Keep loose equipment stored properly
4. Have all players remove all personal jewelry
5. Parents should be encouraged to provide safety glasses for players who wear glasses
6. Repair or replace defective equipment

Equipment Safety Resources:

- Equipment and Facility Check-Ups (<https://www.littleleague.org/university/articles/make-regular-equipment-facility-check-ups-a-year-round-endeavor-for-your-league-or-district/>)

FACILITY SAFETY

Safe, well-maintained facilities help create a positive experience for players, families, and volunteers. Your league has shared the steps it takes to help keep playing conditions safe throughout the season.

Seasonal Facility Inspection

QUAY COUNTY LL completes a thorough review of all fields and facilities at the beginning and end of each season.

This inspection helps the league:

- Identify needed repairs
- Document safety concerns
- Plan for maintenance or improvements
- Confirm that fields and common areas are ready for use

Ongoing Facility Checks

QUAY COUNTY LL conducts regular in-season checks to help ensure facilities remain safe and ready for play. These checks typically look for:

- Loose or damaged fencing
- Worn or broken bases
- Slick, uneven, or poorly drained surfaces
- Broken or unstable bleachers
- Lighting or electrical concerns
- Hazards in dugouts, walkways, or spectator areas

Field Safety

Before every game and practice, fields and dugouts should be reviewed to ensure safe playing conditions. These quick checks help volunteers:

- Spot hazards early
- Prevent injuries
- Address small issues before they become larger concerns
- Confirm that field equipment, playing surfaces, and dugout areas are safe and ready for use

At QUAY COUNTY LL, coach or manager carry out field and dugout safety checks before games and practices.

Annual Little League Facility Survey

Each year, leagues complete the Little League Annual Facility Survey, which records the condition of each field, identifies maintenance or safety needs, and documents key details about layout, features, and emergency equipment.

A report generated from QUAY COUNTY LL's completed facility survey is included with this SAFE Summary.

Best Practice: Create a simple, shared inspection checklist for coaches and volunteers to use before games and practices. Consistent use of the same checklist helps ensure issues are spotted early and reported quickly.

For more information about facility safety at QUAY COUNTY LL, or to report a concern, please contact: League Safety Officer

Facility Safety Resources:

- Day to Day Safety Checklist (<https://www.littleleague.org/university/articles/the-safest-little-league-experience-comes-from-doing-common-tasks/>)
- Pre-Season Facility Checkup (<https://www.littleleague.org/university/articles/conduct-a-facilities-safety-check-before-the-season-starts/>)

CONCESSION STAND SAFETY

Concession stands add to the game day experience, but they also involve equipment, heat sources, and food handling, all of which require clear safety procedures. The information below summarizes how QUAY COUNTY LL helps maintain a safe concession operation throughout the season.

QUAY COUNTY LL has confirmed that its concession stand(s):

- Follow all applicable local health and safety regulations
- Provide volunteers with guidance in safe food handling and equipment use
- Maintain a working fire extinguisher that is readily available
- Keep first aid supplies in the concession stand
- Do not allow minors to work in or remain inside the concession stand during operating hours

Best practice: Post simple safety reminders inside the concession stand so volunteers can quickly review expectations before each shift, including:

- Handwashing steps
- Safe food temperatures
- Equipment shut-off procedures
- Location of the fire extinguisher
- Emergency contact information

Additional information provided by your league:

The league will comply with appropriate and applicable State of New Mexico food handlers regulations in conjunction with Little league Baseball, Incorporated, and local league operations. Written procedures for each concession area's compliance will be posted at each site. The procedures for a 'step-by-step' sequence in guidelines for operation of each concession will be posted at each site. All applicable compliance procedures can be obtained from local health departments, and should be updated annually. All training sessions pertaining to documentation and records will be consistent with the training and safety sections of this safety plan.

For more information about concession stand safety at QUAY COUNTY LL, or to report a concern, please contact: Concessions Manager

Concession Stand Safety Resources:

- Concession Stand Safety (<https://www.littleleague.org/university/articles/concession-stand-safety-tips-12-steps-to-safe-sanitary-food-service/>)

TRAINING & EDUCATION

When volunteers are trained and prepared, it helps to prevent injuries, respond to emergencies, and create a positive experience for everyone involved. This section highlights the volunteer trainings that QUAY COUNTY LL requires and encourages.

Abuse Awareness Training

Little League requires all volunteers who undergo a background check to complete Abuse Awareness Training each year. QUAY COUNTY LL confirms that all required volunteers complete Abuse Awareness Training each season.

Safety Awareness Training (Little League University)

Safety Awareness Training helps volunteers understand common safety risks, recognize unsafe situations, and take proactive steps to prevent injuries.

QUAY COUNTY LL requires Safety Awareness Training for: League Officers/Board Members, Managers and Coaches, Umpires, All Other Volunteers.

First Aid Awareness Training (Little League University)

First Aid Awareness Training helps volunteers recognize injuries, respond appropriately, know when to call 911, and take steps to prevent medical emergencies.

QUAY COUNTY LL requires First Aid Awareness Training for League Officers/Board Members, Managers and Coaches, Umpires, All Other Volunteers.

Diamond Leader Training (Little League University)

Diamond Leader Training supports coaches and volunteers in creating a positive team environment focused on player well-being, sportsmanship, communication, and healthy culture.

QUAY COUNTY LL requires Diamond Leader Training for League Officers/Board Members, Managers and Coaches.

Additional Trainings Offered or Encouraged

QUAY COUNTY LL has indicated that it offers or requires the following additional trainings:

- Coaching Skills & Game Fundamentals Training
- Formal First Aid Certification
- CPR Certification
- AED Use Training
- Concession Safety Training
- Emergency Response Training
- Little League Prepare Training (Little League University)
- Little League Play Training (Little League University)
- Little League Umpire Training (Little League University)
- Concussion Training

Best practice: Share a simple training plan at the start of the season outlining required courses, who must complete them, and suggested deadlines. Clear expectations help volunteers stay on track.

Additional information provided by your league:**MANDATORY SAFETY AND FUNDAMENTAL TRAINING**

Mandatory Coaches, Managers, Safety Coordinators

All team managers and coaches will be required to attend and satisfactorily complete a mandatory training in baseball or softball fundamentals. First Aid Training will be offered at these trainings, as well as Basic Safety Training (I.E.- inclement weather, darkness, drug, alcohol and tobacco awareness, etc.). These `clinics' will also include "basics" (I.E.-sliding, bunting, batting, pitching, warm-ups, etc.).

ALL TRAINING IS TO BE COMPLETED PRIOR TO STARTING SPRING PRACTICE.

Date: To Be Determined

ACCIDENT INSURANCE & INCIDENT REPORTING

Accidents can happen at any time, and being prepared helps leagues support families and volunteers when they do. Understanding and documenting injuries ensures everyone gets the help they need and allows the league to strengthen safety practices for future seasons.

How to Submit an Accident Claim

If a player or volunteer requires medical treatment after a league-sanctioned activity, families should follow these steps:

1. Download the Accident Claim Form from LittleLeague.org.
2. Provide the claimant's full information, including parent or guardian details if the claimant is a minor.
3. Complete all sections of the form. Missing information causes delays.
4. Include primary insurance information. If the claimant has no insurance, written employer verification is required.
5. Attach itemized medical bills that include dates of service, procedure codes, diagnosis codes, and charges.
6. For dental injuries, submit bills to the primary medical and dental insurer first, then include the insurer's Explanation of Benefits.
7. Have a league official (President, Safety Officer, etc.) complete and sign the League Statement section.
8. Completed claim forms and supporting documents must be mailed. Email and fax submissions cannot be accepted.

Questions about the claim process may be sent to AccidentClaim@LittleLeague.org.

Incident Tracking

QUAY COUNTY LL documents all injuries and incidents that occur during league activities.

- Reports are completed using the official Little League Incident Tracking Form.
- A designated league officer is responsible for collecting and reviewing each report.
- Reviewing incident information throughout the season helps the league identify trends, address hazards, and strengthen safety practices.

Best practice: Monitor incident reports and near-miss situations regularly during the season. Tracking both helps identify emerging patterns, field conditions, equipment problems, or other safety concerns, so the league can take proactive steps to prevent injuries and improve the overall safety of the program.

Additional information provided by your league:

WRITTEN ACCIDENT REPORTING PROCEDURES

(Official league reporting forms are available at each concession or field)

What to report: an incident that causes any player, manager, coach, umpire, or other individual to receive medical attention. This includes even passive treatment confined to the evaluation of an injury or a suspected head injury. "Better to report, than not to report"!

When & How to make the report: all such incidents must be reported to the league Safety

Director within 24 hours of the incident and shall include:

- Name and phone number of the individual involved
- Date, time and location of the incident
- Description of the incident (include any first aid on the scene)
- Name and number of the individual making the report.

Please remember to send all information to the Safety Officer within 24 hours of the incident.

This notification is an essential responsibility of the league and all the adults involved. Serious injuries should be reported to District immediately.

* Injuries requiring medical attention, or any head injury must be reported within 24 hours of the incident. Guidelines for such are outlined herein. League safety officer is to be notified, reports are to be written and given directly to the league's safety officer.

Safety Officer: Justin Garcia 575-403-7061

LITTLE LEAGUE RULES & SAFETY BEST PRACTICES

Creating a safe, enjoyable playing environment begins with following Little League's official safety rules and reinforcing practices that protect players, volunteers, and families. QUAY COUNTY LL has confirmed that it meets all required safety standards.

Little League Safety Rules

Little League's official safety rules are designed to prevent injuries and establish consistent expectations across the program. These rules help ensure safe play during practices and games.

Leagues must enforce the following:

- On-deck batters are not permitted in the Majors Division and below
- Batters, base runners, and player base coaches must wear helmets at all times
- Catcher's gear must include a dangling throat guard
- Metal cleats are prohibited in the Majors Division and below
- Disengageable bases are required on all baseball and softball fields
- Head-first sliding while advancing is not permitted in the Majors Division and below
- Pitch count limits and required rest days must be followed in all baseball divisions
- Bats must meet current Little League standards
- Game balls must meet current Little League standards and be in good condition

Safety Best Practices

In addition to official rules, many leagues adopt extra safety practices that strengthen routines, reinforce expectations, and create a positive environment for players, families, and volunteers.

Common safety best practices include:

- Keeping dugout and field gates closed during play
- Using a double first base on baseball and softball fields
- Reminding players not to throw equipment or swing bats near others
- Reviewing lightning and severe weather procedures with coaches and umpires
- Ensuring each team has emergency contact information available at practices and games
- Leading age-appropriate warm-ups and stretching to reduce injury risk
- Marking spectator areas clearly and keeping them separate from the field
- Encouraging volunteers, parents, and players to model sportsmanlike and respectful behavior
- Sharing safety reminders with families (emails, signage, or meetings)
- Posting safety signage in common areas (e.g., "No Climbing Fences," "Foul Ball Awareness," "AED Located Here")

Additional information provided by your league:

Checklist for Managers, Coaches, and Umpires

A. Safe Playing Areas

Regular safety inspections of all fields, (practice and game), structures, and dugouts, is the best way to eliminate conditions that cause accidents. Managers, coaches, and umpires should routinely check playing area for:

1. Holes, damage, rough or uneven spots, slippery areas, and long grass
2. Glass, rocks, foreign objects
3. Damage to screens or fences, including holes, sharp edges, or loose edges
4. Unsafe conditions around backstop, pitcher's mound, or warning track
5. Proper attire by the catcher at all times, including in the bull pens and in between

Innings

B. Safe Equipment

All equipment shall be inspected before each use. Regular safety inspection of equipment is essential. Managers, coaches, and umpires should:

1. Be sure all equipment is LL approved
2. Inspect all bats, helmets, and other equipment on a regular basis. Dispose of unsafe equipment properly.
3. Keep loose equipment stored properly
4. Have all players remove all personal jewelry
5. Parents should be encouraged to provide safety glasses for players who wear glasses
6. Repair or replace defective equipment

C. Safe Procedures

Managers and coaches must:

1. Have all players' medical release forms with you at every practice and game
2. Have a first aid kit with you all practices and games
3. Have access to a telephone in case of emergencies
4. Know where the closest emergency shelter is in case of severe weather
5. Ensure warm-up procedures have been completed by all players

6. Stress the importance of paying attention, no "horse playing allowed"
7. Instruct the players on proper fundamentals of the game to ensure safe participation
8. Each practice should have at least 2 coaches in case of an emergency

D. Weather Conditions

Before the Storm

1. Check the weather forecast before leaving for a game or practice
2. Watch for signs of an approaching storm
3. Postpone outdoor activities if storms are imminent

2026 FACILITY SURVEY REPORT

This report provides an overview of the information submitted by QUAY COUNTY LL through the Little League Annual Facility Survey. The survey helps document the condition of each field, identify safety or maintenance needs, and track important facility details such as fencing, bleachers, lighting, emergency equipment, and field use.

The information in this summary reflects the league's responses for each field and is intended to support planning, safety awareness, and ongoing facility improvements throughout the season.

LITTLE LEAGUE

S. 14th
