

## **LYONS TOWNSHIP LL 2026 SAFE SUMMARY**

**League Location:** Western Springs, IL

**League ID:** 1130913

# LYONS TOWNSHIP LL 2026 SAFE SUMMARY

Dear Parents, Coaches, Umpires, League Officials, and Volunteers,

On behalf of LTLL, it is my pleasure to welcome you to another exciting season of Little League baseball. Each year, our league thrives because of the dedication and enthusiasm of our families, volunteers, and community leaders. Whether you are cheering from the stands, coaching on the field, umpiring games, or volunteering your time in countless ways, you play a vital role in shaping a positive experience for every child involved.

For nearly 30 years, Little League's A Safety Awareness Program (ASAP) has set the standard for safety across local leagues, reducing injuries and strengthening volunteer readiness. Building on that success, Little League has launched two new initiatives in 2026, Little League SAFE and SAFE to Play. LTLL's Safety Program will now supplement these new safety programs. SAFE provides education, tools, and resources to help leagues build and maintain safer programs, while SAFE to Play establishes annual compliance requirements and a recognition structure that measures participation and rewards achievement.

Little League SAFE brings together trusted safety resources to help leagues provide a safe, positive, and consistent experience for players, volunteers, and families. Safety is a shared responsibility, and SAFE supports leagues in building a strong, informed approach to safety at every level of the game.

This season, let's work together to maintain a safe, supportive, and fun environment for all. Your cooperation and vigilance are key to ensuring we uphold the standards set forth by Little League and Lyons Township Little League to provide the best possible experience for our young athletes.

If you have any questions or concerns regarding safety, please do not hesitate to reach out to me or league safety director. Your feedback and involvement help us continue to improve and keep our league safe for everyone.

Thank you for your commitment and support. Wishing everyone a fantastic and safe season!

Sincerely,

Luke Cutkomp

LTLL President

# LEAGUE LEADERSHIP AND CONTACTS

Keeping contact information up to date helps volunteers know exactly who to reach when questions or safety concerns arise.

## Primary Contacts

### Luke Cutkomp

League President

[lyonstwp11president@gmail.com](mailto:lyonstwp11president@gmail.com)

[773-241-1528](tel:773-241-1528)

### John Nitti

League Safety Officer

[j3nitti@gmail.com](mailto:j3nitti@gmail.com)

[708-707-3445](tel:708-707-3445)

### Katie Nasti

District Administrator

[ll.il.stateda@gmail.com](mailto:ll.il.stateda@gmail.com)

### Jason Suchy

District Safety Officer

[jason.suchy12@gmail.com](mailto:jason.suchy12@gmail.com)

**Best Practice:** Share a simple "Who to Contact" list with managers, coaches, and volunteers so everyone knows where to go for help during the season.

## **Additional information provided by your league:**

Tri-State Fire Protection District (Non-Emergency): (630) 323-6445

# CHILD PROTECTION

Little League requires every chartered league to follow a set of core child protection policies to help keep children safe. Protecting players is our highest priority, and these policies ensure volunteers understand their responsibilities both on and off the field.

**Your league has confirmed that all of the following policies are in place:**

## 1. Annual Background Checks

LYONS TOWNSHIP LL confirms that all volunteers with regular contact with players complete annual background checks through J.D. Palatine (JDP), as required by Little League Regulation I(c) 8 and 9. Anyone with a disqualifying offense is prohibited from participating in any Little League activity. Background check laws vary across the country, and any additional requirements that apply to your league can be found at <https://www.littleleague.org/player-safety/child-protection-program/state-laws-background-checks-leagues/>. Your league is responsible for understanding and complying with any applicable state laws regarding background checks.

## 2. Annual Abuse Awareness Training

LYONS TOWNSHIP LL requires all volunteers to complete the Little League Abuse Awareness Training each year before assuming any duties. This training helps volunteers recognize, prevent, and respond to misconduct and abuse. Little League Abuse Awareness Training can be found at <https://www.littleleague.org/university/articles/abuse-awareness-training-course/>

## 3. Mandatory Reporting of Child Abuse

LYONS TOWNSHIP LL acknowledges that all volunteers are mandatory reporters under federal law and must report suspected child abuse, including sexual abuse, to the proper authorities within 24 hours. Reports should also be shared with the League President and District Administrator. State reporting requirements vary, and any laws that apply to your league can be found at <https://www.littleleague.org/player-safety/child-protection-program/state-specific-information-child-abuse/>. Your league is responsible for understanding and complying with any applicable state laws.

## 4. Non-Retaliation Policy

LYONS TOWNSHIP LL has adopted a policy that prohibits retaliation against anyone who makes a good-faith report of suspected abuse or misconduct. This ensures volunteers feel safe coming forward with concerns.

## 5. One-on-One Interaction Policy

LYONS TOWNSHIP LL has adopted the Little League One-on-One Interaction Policy, which requires that all interactions between adults and minors be observable and interruptible by another adult. This reduces opportunities for misconduct while still supporting positive mentoring relationships.

**Best Practice:** Reinforce child protection expectations clearly and consistently so volunteers know what to do and who to contact.

- Review expectations with all volunteers at the start of each season.
- Make reporting steps clear and easy to follow.
- Keep child protection policies easily accessible.

## Additional information provided by your league:

### BACKGROUND CHECKS and ABUSE AWARENESS TRAINING COURSE

All Lyons Township Little League volunteers or adults who have any contact with players or minor volunteers must have an annual background check completed and on file with Little League International and complete the Abuse Awareness Training Course.

- Background checks are performed by JDP. Information submitted during volunteer registration is submitted to JDP for the background checks.
- All board members, managers, coaches, and all volunteers will have their background checks submitted before they assume a position where they are in contact with players.
- The Abuse Awareness Training Course can be completed online through Little League University.

#### Child Protection Resources:

- Little League Abuse Awareness Training (<https://www.littleleague.org/university/articles/abuse-awareness-training-course/>)
- Full Little League Child Protection Program (<https://www.littleleague.org/player-safety/child-protection-program/>)
- State-Specific Background Check Laws (<https://www.littleleague.org/player-safety/child-protection-program/state-laws-background-checks-leagues/>)
- State - Specific Mandatory Reporting Laws (<https://www.littleleague.org/player-safety/child-protection-program/state-specific-information-child-abuse/>)
- J.D.Palatine(JDP) Background Checks (<https://www.littleleague.org/player-safety/child-protection-program/local-league-background-check-information/>)
- USA Baseball – Abuse Awareness Resources (<https://usabdevelops.com/page/4834/base>)
- U.S.Center for SafeSport – Reporting and Education (<https://www.littleleague.org/player-safety/child-protection-program/safesport-resources-parents/>)
- ChildHelp National Child Abuse Hotline (1-800-4-A-CHILD)

# EMERGENCY PREPAREDNESS

Being prepared for unexpected situations helps keep players, volunteers, and families safe. The information below highlights the emergency procedures and contacts in place during all league activities.

## Emergency Contacts

- In any emergency situation, volunteers should immediately **call 911**
- Poison Control is also available nationwide at **1-800-222-1222**

## Emergency Action Plan

Emergencies can happen when you least expect them. A clear and accessible EAP helps volunteers respond quickly, communicate effectively, and take the right steps to keep players and families safe.

LYONS TOWNSHIP LL has an Emergency Action Plan in place. Regularly reviewing this plan with volunteers and players helps ensure everyone knows how to respond quickly and confidently during an emergency.

## **Additional information provided by your league:**

### SEVERE WEATHER PROTOCOLS

In case of severe weather conditions, Lyons Township Little League has protocols in place to ensure the safety of players, volunteers, and spectators. These protocols are in line with Little League SAFE and SAFE to Play.

**Rain:** If rain creates unsafe conditions on the field practices and games will be suspended until either the field is repaired, or it is determined that the event must be postponed until a later date.

**Lightning:** If lightning is visually or electronically detected within 15 miles of the park, all activities will be suspended, and the park cleared. The park will remain cleared while a board official can verify that lightning has not struck within the 15-mile radius for a minimum of 30 minutes.

**Tornado:** If a tornado warning or watch has been issued, the park will be immediately cleared. No one is allowed to return until the warning or watch has been lifted.

**Extreme Heat:** When the board or safety officer has determined that extreme heat temperatures have been reached, extra time between innings will be allowed so that players, umpires, and coaches can rest and rehydrate. Time out restrictions will be suspended to help prevent heat injuries to catchers and pitchers.

The league safety officer, any board member, and/or any manager/coach can suspend a game, practice, or clear the park if they determine inclement weather is a safety hazard. If there is no board member available during gameplay, managers may consult with the umpire to determine the threat posed by the weather and determine whether the game should be suspended IF any of the above conditions are in question.

The league safety officer or appropriate board member should be notified if gameplay is suspended or if the park is cleared.

**\*\*\*NO CHILD SHALL BE LEFT ALONE AT THE PARK FOR ANY REASON. IT IS THE MANAGER'S RESPONSIBILITY THAT ALL PLAYERS ARE WITH THEIR APPROPRIATE ADULT WHEN THE PARK IS VACATED!**

### GAMEDAY DECISIONS ON FIELD PLAYABILITY/SEVERE WEATHER IN AREA PRIOR TO GAME(S)

The League President in consultation with the Director of Fields will determine if fields are playable. If it is determined that a field or fields is/are not safe for play, the League President will communicate with the division commissioner so that they can communicate the decision to the coaches affected. If the commissioner is unavailable, the League President will communicate directly with the managers/coaches. The schedule in Sports Connect will be updated so that parents get notification. Managers/Coaches will also message their respective teams about game status.

In the case of severe weather, the League President, Safety Officer, and Director of Fields will monitor weather the day of and make a decision with safety, logistics, and field conditions in mind. These decisions will be communicated just like decisions regarding field playability.

#### **Emergency Preparedness Resources:**

- Little League Lightning & Severe Weather Safety Guidelines  
(<https://www.littleleague.org/university/articles/staying-safe-from-lightning-at-the-field/>)

# FIRST AID & INJURY PREVENTION

A prepared volunteer is better equipped to respond when injuries or medical situations occur. Below is an overview of the first aid training, equipment, and safety practices in place for the season.

## First Aid Training

First aid training helps volunteers respond effectively when injuries or emergencies happen. These trainings reinforce skills such as:

- Treating minor injuries
- Managing bleeding and nosebleeds
- Recognizing potential fractures or serious injuries
- Identifying head-injury symptoms
- Responding to heat-related illness
- Treating allergic reactions
- Knowing when to call 911

First aid training requirements for LYONS TOWNSHIP LL:

- Little League First Aid Awareness Training: **Required**
- Formal First Aid Certification: **Recommended**
- CPR Certification and AED Use Training: **Recommended**

## First Aid Kits

Accessible first aid supplies help volunteers respond quickly when an injury occurs. Keeping first aid kits stocked and easy to reach helps volunteers respond quickly during games and practices. Every team in LYONS TOWNSHIP LL has a first aid kit available at games and practices.

### Recommended First Aid Kit Contents:

- Adhesive bandages (various sizes)
- Sterile gauze pads and rolled gauze
- Antiseptic wipes
- Instant cold packs
- Elastic wraps
- Tweezers and disposable gloves
- Nosebleed supplies (gauze, tissues)
- Small splint or finger splint
- CPR mask or face shield
- Allergy/sting relief wipes
- Cold Packs
- Tape and scissors

**Best Practice:** Each team should receive its first aid kit at the start of the season. First aid kits should travel with the team and be kept in an easy-to-reach spot during both games and practices.

## Concussion Awareness

LYONS TOWNSHIP LL has confirmed that it follows required concussion training and has a protocol in place for recognizing and responding to potential head injuries during practices and games. Little League encourages all volunteers to follow the "When in doubt, sit them out" approach so players are removed from play immediately if a concussion is suspected.

### Common signs and symptoms of a possible concussion include:

- Headache or pressure in the head
- Dizziness or balance problems
- Confusion, memory issues, or appearing "out of it"
- Nausea or vomiting
- Blurred vision or sensitivity to light or noise
- Behavior that seems unusual for the player

State concussion laws vary across the country. Some apply only to school athletics, while others apply to all youth sports organizations. State-specific information can be found at: <https://www.littleleague.org/player-safety/concussions-youth-athletes/>. Your league is responsible for understanding and complying with any applicable state laws.

**Best Practice:** If a concussion is suspected, volunteers should follow these steps:

- Remove the player from play immediately
- Ensure the player is monitored by an adult
- Refer the player to a licensed health care professional for evaluation
- Do not allow return to play on the same day
- Require written medical clearance before the player resumes practices or games

## Access to Automated External Defibrillators (AED)

AEDs can play a lifesaving role during sudden cardiac emergencies, and clear access helps volunteers respond quickly when every second matters.

LYONS TOWNSHIP LL has reported that it does not currently have any AEDs available and is working toward establishing an AED program.

**Best Practice:** AEDs are most effective when:

- Volunteers know the exact location of each device
- Devices are accessible during practices and games
- Batteries and pads are checked and replaced as needed
- Multiple volunteers are trained in basic AED use

State laws addressing AED access and sudden cardiac arrest (SCA) training can vary across the country. Some requirements apply only to school facilities or interscholastic athletics, while others extend to youth sports organizations or municipal fields. State-specific requirements for AEDs can be found at:

<https://www.littleleague.org/player-safety/state-laws-on-automated-external-defibrillators/>

State specific requirements for SCA training can be found at: <https://www.littleleague.org/player-safety/state-laws-on-sudden-cardiac-arrest-training/>.

Your league is responsible for understanding and complying with any applicable state laws.

### **Additional information provided by your league:**

#### **FIRST AID TRAINING AND KITS**

First aid training is mandatory for all managers and coaches. All coaches and volunteers must complete the First Aid Awareness course prior to conducting any practices or games.

- The First Aid Awareness course can be completed online through Little League University.
- The safety officer will include a first aid kit in all equipment bags prior to distribution.
- o Managers are required to have a first aid kit present at all practices and games
- Coaches and managers are responsible for ensuring that first aid kits are properly stocked throughout the season. Contact the safety officer to restock kits
- Each field maintained through LTLL and the local municipality has an onsite first aid kit in the storage bin(s).

#### **First Aid & Injury Prevention Resources:**

- First Aid Kit Checklist (<https://www.littleleague.org/university/articles/first-aid-kits-an-items-list/>)
- Little League First Aid Awareness Training (<https://www.littleleague.org/university/articles/first-aid-awareness-training-course/>)
- CDC Heads Up – Concussion Resources (<https://www.cdc.gov/heads-up/>)
- State-Specific Concussion Laws (<https://www.littleleague.org/player-safety/concussions-youth-athletes/>)
- State-Specific AED Laws (<https://www.littleleague.org/player-safety/state-laws-on-automated-external-defibrillators/>)
- State-Specific SCA Training Laws (<https://www.littleleague.org/player-safety/state-laws-on-sudden-cardiac-arrest-training/>)

# EQUIPMENT SAFETY

Safe, well-maintained equipment helps prevent injuries and supports a positive playing experience. The information below reflects how playing equipment is inspected and monitored throughout the season.

## Batting Helmets

All batting helmets must be NOCSAE-certified and free of cracks, dents, or deteriorating padding.

- Helmets are inspected at the start of the season and as needed
- Damaged or ill-fitting helmets are removed from use immediately
- Non-OEM (non-manufacturer) modifications are prohibited
- Properly fitted, undamaged helmets play an important role in preventing head injuries

## Catcher's Gear

Catcher's equipment must be complete, well-maintained, and properly fitted for each player. A full set includes:

- Helmet with full face mask
- Dangling throat guard (required)
- Chest protector
- Leg guards

## Equipment Inspections

At LYONS TOWNSHIP LL, coach or manager carry out regular equipment inspections throughout the season. These checks help identify items that should be repaired or removed from use.

- Unsafe or excessively worn equipment should be removed immediately
- Routine inspections help ensure players are always using equipment that will keep them safe from injury

**Best Practice:** Teach players to do quick self-checks of their helmets and gear before practices and games. Helping players look for cracks, loose padding, or missing pieces builds good habits and supports a shared culture of safety.

## Additional information provided by your league:

### EQUIPMENT INSPECTION

All LTLL equipment supplied to the coaches for players use will be inspected after each season. Any piece of equipment that is deemed unsafe or questionable will either be destroyed or if possible reconditioned. This inspection will take place directly after the spring season. Unsafe or questionable equipment will be stored separately from the equipment that is safe to use. The equipment manager will work with the league board to ensure that unsafe equipment is destroyed, safe equipment is stored correctly during the off season and provide a correct inventory to prevent any potential shortages in upcoming seasons.

### Equipment Safety Resources:

- Equipment and Facility Check-Ups (<https://www.littleleague.org/university/articles/make-regular-equipment-facility-check-ups-a-year-round-endeavor-for-your-league-or-district/>)

# FACILITY SAFETY

Safe, well-maintained facilities help create a positive experience for players, families, and volunteers. Your league has shared the steps it takes to help keep playing conditions safe throughout the season.

## Seasonal Facility Inspection

LYONS TOWNSHIP LL completes a thorough review of all fields and facilities at the beginning and end of each season. This inspection helps the league:

- Identify needed repairs
- Document safety concerns
- Plan for maintenance or improvements
- Confirm that fields and common areas are ready for use

## Ongoing Facility Checks

LYONS TOWNSHIP LL conducts regular in-season checks to help ensure facilities remain safe and ready for play. These checks typically look for:

- Loose or damaged fencing
- Worn or broken bases
- Slick, uneven, or poorly drained surfaces
- Broken or unstable bleachers
- Lighting or electrical concerns
- Hazards in dugouts, walkways, or spectator areas

## Field Safety

Before every game and practice, fields and dugouts should be reviewed to ensure safe playing conditions. These quick checks help volunteers:

- Spot hazards early
- Prevent injuries
- Address small issues before they become larger concerns
- Confirm that field equipment, playing surfaces, and dugout areas are safe and ready for use

At LYONS TOWNSHIP LL, coach or manager carry out field and dugout safety checks before games and practices.

## Annual Little League Facility Survey

Each year, leagues complete the Little League Annual Facility Survey, which records the condition of each field, identifies maintenance or safety needs, and documents key details about layout, features, and emergency equipment.

A report generated from LYONS TOWNSHIP LL's completed facility survey is included with this SAFE Summary.

**Best Practice:** Create a simple, shared inspection checklist for coaches and volunteers to use before games and practices. Consistent use of the same checklist helps ensure issues are spotted early and reported quickly.

## **Additional information provided by your league:**

### FIELD SAFETY AND INSPECTION CHECKLISTS

Maintaining safe conditions at all fields whether for practice or games is essential for the safety of the players, volunteers, and spectators. Responsibility for ensuring safe conditions at the park and on the fields falls on all members of Lyons Township Little League.

Field inspections will be carried out before each practice and game by the manager or coach. They will identify any current or potential issues and address them before players are allowed on the field or spectators allowed in the spectator area. This includes:

- Broken glass or debris on the field or in the dugouts
- Any unsafe conditions in the dugout
- Any holes in the grass or dirt on the field
- All gates to any field must be closed prior to playing or practicing on the field
- Fence guards that pose any danger
- Unsafe conditions around the spectator area and outside fence lines where spectators may sit
- Identify and address any safety issues within the park including parking lots and bike/pedestrian paths

All members of the board, managers, and coaches are responsible for identifying any safety issues or potential safety issues by following these protocols:

- Clean it up immediately if it can be done quickly
- Notify the safety officer and the league president of the issue so that it can be tracked
- Mark or block off any area that is a hazard to pedestrians and spectators until the issue has been resolved.
- The safety officer will track all issues reported so that trends can be identified, assessed, addressed, and repaired.
- The safety officer will address the board each season regarding trending safety issues with the fields and parks so that a prevention strategy can be created prior to the next season

At no time shall a field be in use if a safety issue exists. Any board member, manager, coach, and or umpire can suspend play until the identified safety issue has been resolved.

For more information about facility safety at LYONS TOWNSHIP LL, or to report a concern, please contact: League President

**Facility Safety Resources:**

- Day to Day Safety Checklist (<https://www.littleleague.org/university/articles/the-safest-little-league-experience-comes-from-doing-common-tasks/>)
- Pre-Season Facility Checkup (<https://www.littleleague.org/university/articles/conduct-a-facilities-safety-check-before-the-season-starts/>)

# TRAINING & EDUCATION

When volunteers are trained and prepared, it helps to prevent injuries, respond to emergencies, and create a positive experience for everyone involved. This section highlights the volunteer trainings that LYONS TOWNSHIP LL requires and encourages.

## **Abuse Awareness Training**

Little League requires all volunteers who undergo a background check to complete Abuse Awareness Training each year. LYONS TOWNSHIP LL confirms that all required volunteers complete Abuse Awareness Training each season.

## **Safety Awareness Training (Little League University)**

Safety Awareness Training helps volunteers understand common safety risks, recognize unsafe situations, and take proactive steps to prevent injuries.

LYONS TOWNSHIP LL requires Safety Awareness Training for: League Officers/Board Members.

## **First Aid Awareness Training (Little League University)**

First Aid Awareness Training helps volunteers recognize injuries, respond appropriately, know when to call 911, and take steps to prevent medical emergencies.

LYONS TOWNSHIP LL requires First Aid Awareness Training for League Officers/Board Members, Managers and Coaches.

## **Diamond Leader Training (Little League University)**

Diamond Leader Training supports coaches and volunteers in creating a positive team environment focused on player well-being, sportsmanship, communication, and healthy culture.

LYONS TOWNSHIP LL requires Diamond Leader Training for Not Required in our League.

## **Additional Trainings Offered or Encouraged**

LYONS TOWNSHIP LL has indicated that it offers or requires the following additional trainings:

- Coaching Skills & Game Fundamentals Training
- Formal First Aid Certification
- CPR Certification
- AED Use Training

**Best practice:** Share a simple training plan at the start of the season outlining required courses, who must complete them, and suggested deadlines. Clear expectations help volunteers stay on track.

## **Additional information provided by your league:**

Lyons Township Little League is committed to continuing education. Our league holds a coach's clinic prior to the season to train coaches on age-appropriate techniques, drills, and practice plans. LTLL also encourages all volunteers to become First-Aid/CPR certified through the American Red Cross, local police, or local fire protection district. The LTLL President holds a pre-season meeting (In-person or virtual) along with the league safety officer, to address child safety, coaching expectations, field safety and maintenance tips, emergency protocol, and important dates for our local league and district play.

**Training and Education Resources:**

- Little League University (LLU) Trainings Overview (<https://www.littleleague.org/university/training/>)
- Little League Abuse Awareness Training (<https://www.littleleague.org/university/articles/abuse-awareness-training-course/>)
- Little League Safety Awareness Training (<https://www.littleleague.org/university/articles/safety-awareness-training-course/>)
- Little League First Aid Awareness Training (<https://www.littleleague.org/university/articles/first-aid-awareness-training-course/>)

# ACCIDENT INSURANCE & INCIDENT REPORTING

Accidents can happen at any time, and being prepared helps leagues support families and volunteers when they do. Understanding and documenting injuries ensures everyone gets the help they need and allows the league to strengthen safety practices for future seasons.

## How to Submit an Accident Claim

If a player or volunteer requires medical treatment after a league-sanctioned activity, families should follow these steps:

1. Download the Accident Claim Form from [LittleLeague.org](http://LittleLeague.org).
2. Provide the claimant's full information, including parent or guardian details if the claimant is a minor.
3. Complete all sections of the form. Missing information causes delays.
4. Include primary insurance information. If the claimant has no insurance, written employer verification is required.
5. Attach itemized medical bills that include dates of service, procedure codes, diagnosis codes, and charges.
6. For dental injuries, submit bills to the primary medical and dental insurer first, then include the insurer's Explanation of Benefits.
7. Have a league official (President, Safety Officer, etc.) complete and sign the League Statement section.
8. Completed claim forms and supporting documents must be mailed. Email and fax submissions cannot be accepted.

Questions about the claim process may be sent to [AccidentClaim@LittleLeague.org](mailto:AccidentClaim@LittleLeague.org).

## Incident Tracking

LYONS TOWNSHIP LL documents all injuries and incidents that occur during league activities.

- Reports are completed using the official Little League Incident Tracking Form.
- A designated league officer is responsible for collecting and reviewing each report.
- Reviewing incident information throughout the season helps the league identify trends, address hazards, and strengthen safety practices.

**Best practice:** Monitor incident reports and near-miss situations regularly during the season. Tracking both helps identify emerging patterns, field conditions, equipment problems, or other safety concerns, so the league can take proactive steps to prevent injuries and improve the overall safety of the program.

## **Additional information provided by your league:**

### ACCIDENT REPORTING

The league safety officer and president are responsible for accident and incident reporting.

- All injuries will be reported directly to the safety officer and the league president
- Incident reports must be filed within 24 hours of an event
- If medical attention is sought, The AIG Accident Claim Form must be filled out and filed with the Incident Reporting Form with AIG
- The president and safety officer are responsible for filing paperwork promptly and parent follow up
- Electronic links of the forms can be found on the Little League SAFE Summary document
- Incident reports will be maintained by the league and reviewed annually to identify trends and potential issues in upcoming season

#### LTL Safety Officer's Accident Reporting Responsibilities:

Within 24 hours of receiving the LTL Accident Report, the LTL Safety Officer will contact the injured party or the party's parents and;

- 1) Verify the information received
- 2) Obtain any other information deemed necessary
- 3) Check on the status of the injured party; and
- 4) In the event that the injured party required other medical treatment (i.e., Emergency Room visit, doctor's visit, etc.) will advise the parent or guardian of the Lyons Township Little League's insurance coverage and the provision for submitting any claims. If the extent of the injuries are more than minor in nature, the LTL Safety Officer shall periodically call the injured party to:
  - Check on the status of any injuries, and
  - Check if any other assistance is necessary in areas such as submission of insurance forms, etc., until such time as the incident is considered "closed" (i.e., no further claims are expected and/or the individual is participating in the League again).

To report an incident, or for more information about filing an accident claim, please contact: League Safety Officer

**Accident Reporting Resources:**

- AIG Accident Claim Form (<https://www.littleleague.org/downloads/accident-claim-form/>)
- How to File an Accident Claim (<https://www.littleleague.org/university/articles/how-to-submit-an-accident-insurance-claim/>)
- Little League Insurance Program Overview (<https://www.littleleague.org/university/articles/little-league-insurance-programs/>)

# LITTLE LEAGUE RULES & SAFETY BEST PRACTICES

Creating a safe, enjoyable playing environment begins with following Little League's official safety rules and reinforcing practices that protect players, volunteers, and families. LYONS TOWNSHIP LL has confirmed that it meets all required safety standards.

## Little League Safety Rules

Little League's official safety rules are designed to prevent injuries and establish consistent expectations across the program. These rules help ensure safe play during practices and games.

Leagues must enforce the following:

- On-deck batters are not permitted in the Majors Division and below
- Batters, base runners, and player base coaches must wear helmets at all times
- Catcher's gear must include a dangling throat guard
- Metal cleats are prohibited in the Majors Division and below
- Disengageable bases are required on all baseball and softball fields
- Head-first sliding while advancing is not permitted in the Majors Division and below
- Pitch count limits and required rest days must be followed in all baseball divisions
- Bats must meet current Little League standards
- Game balls must meet current Little League standards and be in good condition

## Safety Best Practices

In addition to official rules, many leagues adopt extra safety practices that strengthen routines, reinforce expectations, and create a positive environment for players, families, and volunteers.

Common safety best practices include:

- Keeping dugout and field gates closed during play
- Using a double first base on baseball and softball fields
- Reminding players not to throw equipment or swing bats near others
- Reviewing lightning and severe weather procedures with coaches and umpires
- Ensuring each team has emergency contact information available at practices and games
- Leading age-appropriate warm-ups and stretching to reduce injury risk
- Marking spectator areas clearly and keeping them separate from the field
- Encouraging volunteers, parents, and players to model sportsmanlike and respectful behavior
- Sharing safety reminders with families (emails, signage, or meetings)
- Posting safety signage in common areas (e.g., "No Climbing Fences," "Foul Ball Awareness," "AED Located Here")

## **Additional information provided by your league:**

### ENFORCEMENT OF LITTLE LEAGUE RULES

Lyons Township Little League is dedicated to enforcing all Little League rules and ensuring proper equipment is used. This is including:

- Only Little League approved bats are used
  - USA Baseball logos are required to be screen printed on the bat. Stickers are not allowed
- All catcher's gear meets LLI safety requirements
- Safety bases are used on 1st base at the appropriate levels of play for Baseball
- Players warming up pitchers will wear a catcher's helmet.
- All catcher's helmets will be equipped with a throat guard.
- All male players will wear a cup.
- All game play will follow LLI rule books unless written exceptions for inter-district play have been agreed upon prior to the start of the season.
- On deck batters are not allowed. Players are to remain in the dugout until it is their turn to bat.

### LYONS TOWNSHIP LITTLE LEAGUE SAFETY CODE

The Board of Directors of Lyons Township Little League has mandated the following "Adult Safety Code." All Little League managers, coaches, umpires, and adult volunteers will read and do their utmost to abide.

Additionally, all managers and coaches will read and enforce the "Player Safety Code" as described in this manual to their players. Signatures are required of all managers, coaches and players, acknowledging understanding and compliance.

### ADULT SAFETY CODE (for all LTLL Adult Volunteers, including Managers, Coaches & Umpires):

- Responsibility for safety procedures belong to every adult member of LTLL.
- Each manager, coach, and umpire shall use proper reasoning and care to prevent injury to him/herself and to others.
- Only league approved managers and/or coaches are allowed to conduct practice with teams.
- Each and every year, all managers, coaches, umpires, board members and any other persons, volunteers or hired workers, who provide regular services to the league and/or have repetitive access to or contact with players or teams must fill out the most recent Little League Volunteer Application form. This Little League Volunteer Application will be used to conduct a search of appropriate governmental databases for statewide and/or nationwide background and sex- offender checks. Anyone refusing to fill out a Little League Volunteer Application is ineligible to be a volunteer.
- Only league-approved managers and/or coaches will supervise batting Cages.

- Managers, designated coaches and umpires are strongly recommended to have training in First Aid.
- First-aid kits are issued to each team manager during the pre-season and additional kits are available from the Safety Officer. Additional first aid kits will be placed in the lock boxes at each field.
- No games/practices will be held when weather or field conditions are poor, particularly when lighting is imminent.
- Play area will be inspected before games & practices for holes, damage, stones, glass & foreign objects.
- Team equipment must be stored within the team dugout or behind screens, and not within the area defined by the umpires as "in play". The on-deck position is not permitted during games. This means there will be no on-deck batter during games at any level.
- Only players, managers, coaches and umpires are permitted on the playing field or in the dugout during games and practice sessions. All players must stay in the dugout during games.
- Responsibility for keeping bats and loose equipment off the field of play should be that of the team manager or coach, or assigned by them to a specific player. No player should ever leave the dugout with a bat unless it's their turn at the plate.
- Equipment should be inspected regularly for condition and fit.
- Parents of players who wear glasses should be encouraged to provide "safety glasses" for their children.
- We encourage parents to buy their player a chest guard for all levels.
- Managers will only use the official Little League balls supplied by LTLL for games.
- Managers/Coaches will never leave an unattended child at a practice or game.
- Never hesitate to report any present/potential safety hazard to the LTLL Safety Officer immediately.
- No smoking or chewing tobacco within twenty feet of the dugouts and concession stands.
- Make arrangements to have a cellular phone available at all practices and games.
- No alcohol or drugs allowed on the premises at any time.
- Observe all posted signs.
- Spectators should be reminded to always be alert for foul balls and/or errant throws.
- All gates to the fields must always remain closed. After players have entered or left the playing field, gates should be closed and secured.
- No one is allowed on the complex with open wounds at any time. Wounds should be treated and properly bandaged.
- No pets of any kind are permitted on the premises at any time. NOTE: While pets are not allowed at games or practices, we cannot be responsible for neighbors walking a pet near a playing field. If a pet is on the loose during a little league game, play should be suspended until the pet is secured by the owner.

## PLAYER SAFETY CODE:

- During practice and games, all players should watch the batter on each pitch and always be alert for foul balls and/or errant throws.
- During warm-up drills, players should be spaced so that no one is endangered by wild throws or missed catches.
- All pre-game warm-ups should be performed within the confines of the playing field, not outside it.
- Batters and base-runners must wear Little League approved protective helmets.
- Head-first slides are NOT permitted.
- At no time should "horse play" be permitted on the playing field.
- While waiting to bat, players are to remain in the dugout. On deck batters are not allowed to go on the field while another player is up to bat.
- Players who wear glasses should be encouraged to procure "safety glasses".
- All players should be encouraged to wear mouth-guards.
- All male players are encouraged to wear athletic supporters or cups during games & practices.
- All male Catchers must wear a cup.
- All catchers must wear a catcher's mitt (not a first baseman's mitt or fielder's glove) as well as protective equipment that meets Little League specifications and standards, during practices as well as games.
- All catchers must wear a mask, "dangling" type throat protector and catcher's helmet during practice, pitcher warm-up, and games.
- Pitching Rules ages 6-8 (50 pitches per day) Ages 9-10 (75 pitches per day) Ages 11-12 (85 pitches per day) (1-20 Pitches) 0 Days of Rest, (21-35 pitches) 1 Day of Rest, 36-50 Pitches (2 Days of Rest), 51-65 pitches (3 Days of Rest) 66 + Pitches (4 Days of Rest)
- Shoes with metal spikes or cleats are not permitted. Shoes with molded cleats are permissible.
- Players will not wear watches, rings, pins, jewelry or other metallic items during practices or games. (Exception: Jewelry that alerts medical personnel to a specific condition is permissible and this must be taped in place.)
- No food/drinks at any time in the dugouts. (Except for: Water, Gatorade, chewing gum, sunflower seeds)
- No medication will be taken at the facility unless administered directly by the child's parent. This includes aspirin, Tylenol and/or asthma inhalers.
- No pets are permitted on the premises at any time. This includes dogs, cats, horses, snakes, etc.

## **2026 FACILITY SURVEY REPORT**

This report provides an overview of the information submitted by LYONS TOWNSHIP LL through the Little League Annual Facility Survey. The survey helps document the condition of each field, identify safety or maintenance needs, and track important facility details such as fencing, bleachers, lighting, emergency equipment, and field use.

The information in this summary reflects the league's responses for each field and is intended to support planning, safety awareness, and ongoing facility improvements throughout the season.

# CITY FIELD

61st Street  
Countryside, IL 60525

Facility survey last updated 1/22/2026

## Field Dimensions

Left Field	Center Field	Right Field	Backstop	Outfield Fence Height
195 ft.	190 ft.	190 ft.	15 ft.	4 ft.

## Left Field Foul Territory

Home Plate	Third Base	Foul Pole
18 ft.	18 ft.	0 ft.

## Right Field Foul Territory

Home Plate	First Base	Foul Pole
18 ft.	18 ft.	0 ft.

## General Details

<b>Parking Capacity</b>	1-50
<b>Bleacher Capacity</b>	1-100
<b>Ownership</b>	Municipality
<b>Maintenance Responsibility</b>	Dual Responsibility between municipality and LTLL

## Emergency Equipment

<b>Safety Features</b>	Batter's eye, Pitcher's eye, Dugout fencing, Disengageable bases, Outfield fence bumper, Protected on deck area
<b>Emergency Equipment Available</b>	First aid kit

## Field and Playing Area

<b>Field is Fenced</b>	No
<b>Fence Material</b>	Chain-link
<b>Basepath Material</b>	Clay
<b>Baseline Marking Material</b>	Lime
<b>Infield Surface</b>	Grass
<b>Playing Features</b>	Permanent pitching mound, Foul poles, Backstop

## Lighting

<b>Lights Installed</b>	No
<b>Pole Type</b>	
<b>Underground Wiring</b>	
<b>Light Poles Grounded</b>	
<b>Date Electrical System Last Inspected</b>	
<b>Date Light Levels Last Tested</b>	
<b>Light Levels Meet Little League Standards</b>	

## Field Usage

<b>Field Used for Tournament Play</b>	No
---------------------------------------	----
