

# **ALBANY NATIONAL LL 2026 SAFE SUMMARY**

**League Location:** Albany, NY

**League ID:** 2321302

# ALBANY NATIONAL LL 2026 SAFE SUMMARY

National Little League families,

At National Little League, the safety of our players is our No. 1 concern, and it is all of our responsibility. Whether you are a coach, guardian or otherwise a member of your league, I hope you will take the time to review this plan to familiarize yourselves our league's rules and practices – as well as our code of conduct – to ensure that every player has a safe, healthy and fun season.

Most importantly, if you have any questions or concerns, please do not hesitate to address them to the Board Member on Duty, our league Safety Officer or me personally.

Concerns can be forwarded to the league at any time via [playbaseball@nllalbany.org](mailto:playbaseball@nllalbany.org).

I look forward to seeing you all out on the fields this spring.

Sincerely,

Eric Schillinger

President

# LEAGUE LEADERSHIP AND CONTACTS

Keeping contact information up to date helps volunteers know exactly who to reach when questions or safety concerns arise.

## Primary Contacts

### **Eric Schillinger**

League President

[eric.k.schillinger@gmail.com](mailto:eric.k.schillinger@gmail.com)

[518-441-1296](tel:518-441-1296)

### **Joe Laskoski**

League Safety Officer

[jlaskos7@gmail.com](mailto:jlaskos7@gmail.com)

[607-725-5258](tel:607-725-5258)

### **GARY KRILL**

District Administrator

[gmkkrill@hotmail.com](mailto:gmkkrill@hotmail.com)

### **Margaret Krill**

District Safety Officer

[mryan745@hotmail.com](mailto:mryan745@hotmail.com)

## Additional Contacts

### **Jordan Carleo-Evangelist**

League Baseball Vice President, League Information Officer, League Player Agent

[evangelistjc@gmail.com](mailto:evangelistjc@gmail.com)

[845-304-0718](tel:845-304-0718)

**Best Practice:** Share a simple "Who to Contact" list with managers, coaches, and volunteers so everyone knows where to go for help during the season.

# CHILD PROTECTION

Little League requires every chartered league to follow a set of core child protection policies to help keep children safe. Protecting players is our highest priority, and these policies ensure volunteers understand their responsibilities both on and off the field.

**Your league has confirmed that all of the following policies are in place:**

## 1. Annual Background Checks

ALBANY NATIONAL LL confirms that all volunteers with regular contact with players complete annual background checks through J.D. Palatine (JDP), as required by Little League Regulation I(c) 8 and 9. Anyone with a disqualifying offense is prohibited from participating in any Little League activity. Background check laws vary across the country, and any additional requirements that apply to your league can be found at <https://www.littleleague.org/player-safety/child-protection-program/state-laws-background-checks-leagues/>. Your league is responsible for understanding and complying with any applicable state laws regarding background checks.

## 2. Annual Abuse Awareness Training

ALBANY NATIONAL LL requires all volunteers to complete the Little League Abuse Awareness Training each year before assuming any duties. This training helps volunteers recognize, prevent, and respond to misconduct and abuse. Little League Abuse Awareness Training can be found at <https://www.littleleague.org/university/articles/abuse-awareness-training-course/>

## 3. Mandatory Reporting of Child Abuse

ALBANY NATIONAL LL acknowledges that all volunteers are mandatory reporters under federal law and must report suspected child abuse, including sexual abuse, to the proper authorities within 24 hours. Reports should also be shared with the League President and District Administrator. State reporting requirements vary, and any laws that apply to your league can be found at <https://www.littleleague.org/player-safety/child-protection-program/state-specific-information-child-abuse/>. Your league is responsible for understanding and complying with any applicable state laws.

## 4. Non-Retaliation Policy

ALBANY NATIONAL LL has adopted a policy that prohibits retaliation against anyone who makes a good-faith report of suspected abuse or misconduct. This ensures volunteers feel safe coming forward with concerns.

## 5. One-on-One Interaction Policy

ALBANY NATIONAL LL has adopted the Little League One-on-One Interaction Policy, which requires that all interactions between adults and minors be observable and interruptible by another adult. This reduces opportunities for misconduct while still supporting positive mentoring relationships.

**Best Practice:** Reinforce child protection expectations clearly and consistently so volunteers know what to do and who to contact.

- Review expectations with all volunteers at the start of each season.
- Make reporting steps clear and easy to follow.
- Keep child protection policies easily accessible.

**Child Protection Resources:**

- Little League Abuse Awareness Training (<https://www.littleleague.org/university/articles/abuse-awareness-training-course/>)
- Full Little League Child Protection Program (<https://www.littleleague.org/player-safety/child-protection-program/>)
- State-Specific Background Check Laws (<https://www.littleleague.org/player-safety/child-protection-program/state-laws-background-checks-leagues/>)
- State - Specific Mandatory Reporting Laws (<https://www.littleleague.org/player-safety/child-protection-program/state-specific-information-child-abuse/>)
- J.D.Palatine(JDP) Background Checks (<https://www.littleleague.org/player-safety/child-protection-program/local-league-background-check-information/>)
- USA Baseball – Abuse Awareness Resources (<https://usabdevelops.com/page/4834/base>)
- U.S.Center for SafeSport – Reporting and Education (<https://www.littleleague.org/player-safety/child-protection-program/safesport-resources-parents/>)
- ChildHelp National Child Abuse Hotline (1-800-4-A-CHILD)

# EMERGENCY PREPAREDNESS

Being prepared for unexpected situations helps keep players, volunteers, and families safe. The information below highlights the emergency procedures and contacts in place during all league activities.

## Emergency Contacts

- In any emergency situation, volunteers should immediately **call 911**
- Poison Control is also available nationwide at **1-800-222-1222**

## Local Emergency Contacts

- **Police Department:** (518) 458-5660 (Center Station)
- **Fire Department:** (518) 438-4000 (non-emergency)

## Emergency Action Plan

Emergencies can happen when you least expect them. A clear and accessible EAP helps volunteers respond quickly, communicate effectively, and take the right steps to keep players and families safe.

ALBANY NATIONAL LL has not yet developed an Emergency Action Plan.

## Additional information provided by your league:

There is an AED located in the AED cabinet just inside the main clubhouse entrance outside the bathrooms.

## Emergency Preparedness Resources:

- Little League Lightning & Severe Weather Safety Guidelines  
(<https://www.littleleague.org/university/articles/staying-safe-from-lightning-at-the-field/>)

# FIRST AID & INJURY PREVENTION

A prepared volunteer is better equipped to respond when injuries or medical situations occur. Below is an overview of the first aid training, equipment, and safety practices in place for the season.

## First Aid Training

First aid training helps volunteers respond effectively when injuries or emergencies happen. These trainings reinforce skills such as:

- Treating minor injuries
- Managing bleeding and nosebleeds
- Recognizing potential fractures or serious injuries
- Identifying head-injury symptoms
- Responding to heat-related illness
- Treating allergic reactions
- Knowing when to call 911

First aid training requirements for ALBANY NATIONAL LL:

- Little League First Aid Awareness Training: **Recommended**
- Formal First Aid Certification: **Not Offered**
- CPR Certification and AED Use Training: **Not Offered**

## First Aid Kits

Accessible first aid supplies help volunteers respond quickly when an injury occurs. Keeping first aid kits stocked and easy to reach helps volunteers respond quickly during games and practices. Every team in ALBANY NATIONAL LL has a first aid kit available at games and practices.

### Recommended First Aid Kit Contents:

- Adhesive bandages (various sizes)
- Sterile gauze pads and rolled gauze
- Antiseptic wipes
- Instant cold packs
- Elastic wraps
- Tweezers and disposable gloves
- Nosebleed supplies (gauze, tissues)
- Small splint or finger splint
- CPR mask or face shield
- Allergy/sting relief wipes
- Cold Packs
- Tape and scissors

**Best Practice:** Each team should receive its first aid kit at the start of the season. First aid kits should travel with the team and be kept in an easy-to-reach spot during both games and practices.

## Concussion Awareness

ALBANY NATIONAL LL has confirmed that it follows required concussion training and has a protocol in place for recognizing and responding to potential head injuries during practices and games. Little League encourages all volunteers to follow the "When in doubt, sit them out" approach so players are removed from play immediately if a concussion is suspected.

### Common signs and symptoms of a possible concussion include:

- Headache or pressure in the head
- Dizziness or balance problems
- Confusion, memory issues, or appearing "out of it"
- Nausea or vomiting
- Blurred vision or sensitivity to light or noise
- Behavior that seems unusual for the player

State concussion laws vary across the country. Some apply only to school athletics, while others apply to all youth sports organizations. State-specific information can be found at: <https://www.littleleague.org/player-safety/concussions-youth-athletes/>. Your league is responsible for understanding and complying with any applicable state laws.

**Best Practice:** If a concussion is suspected, volunteers should follow these steps:

- Remove the player from play immediately
- Ensure the player is monitored by an adult
- Refer the player to a licensed health care professional for evaluation
- Do not allow return to play on the same day
- Require written medical clearance before the player resumes practices or games

## Access to Automated External Defibrillators (AED)

AEDs can play a lifesaving role during sudden cardiac emergencies, and clear access helps volunteers respond quickly when every second matters.

ALBANY NATIONAL LL has reported that it has AEDs available at all league facilities.

**Best Practice:** AEDs are most effective when:

- Volunteers know the exact location of each device
- Devices are accessible during practices and games
- Batteries and pads are checked and replaced as needed
- Multiple volunteers are trained in basic AED use

State laws addressing AED access and sudden cardiac arrest (SCA) training can vary across the country. Some requirements apply only to school facilities or interscholastic athletics, while others extend to youth sports organizations or municipal fields. State-specific requirements for AEDs can be found at:

<https://www.littleleague.org/player-safety/state-laws-on-automated-external-defibrillators/>

State specific requirements for SCA training can be found at: <https://www.littleleague.org/player-safety/state-laws-on-sudden-cardiac-arrest-training/>.

Your league is responsible for understanding and complying with any applicable state laws.

**Additional information provided by your league:**

We have supplemental first aid supplies in the concession stand to restock what's needed in the team kits and to be sure supplies are available to visiting teams and other guests at the ballpark.

**First Aid & Injury Prevention Resources:**

- First Aid Kit Checklist (<https://www.littleleague.org/university/articles/first-aid-kits-an-items-list/>)
- Little League First Aid Awareness Training (<https://www.littleleague.org/university/articles/first-aid-awareness-training-course/>)
- CDC Heads Up – Concussion Resources (<https://www.cdc.gov/heads-up/>)
- State-Specific Concussion Laws (<https://www.littleleague.org/player-safety/concussions-youth-athletes/>)
- State-Specific AED Laws (<https://www.littleleague.org/player-safety/state-laws-on-automated-external-defibrillators/>)
- State-Specific SCA Training Laws (<https://www.littleleague.org/player-safety/state-laws-on-sudden-cardiac-arrest-training/>)

# EQUIPMENT SAFETY

Safe, well-maintained equipment helps prevent injuries and supports a positive playing experience. The information below reflects how playing equipment is inspected and monitored throughout the season.

## Batting Helmets

All batting helmets must be NOCSAE-certified and free of cracks, dents, or deteriorating padding.

- Helmets are inspected at the start of the season and as needed
- Damaged or ill-fitting helmets are removed from use immediately
- Non-OEM (non-manufacturer) modifications are prohibited
- Properly fitted, undamaged helmets play an important role in preventing head injuries

## Catcher's Gear

Catcher's equipment must be complete, well-maintained, and properly fitted for each player. A full set includes:

- Helmet with full face mask
- Dangling throat guard (required)
- Chest protector
- Leg guards

## Equipment Inspections

At ALBANY NATIONAL LL, coach or manager carry out regular equipment inspections throughout the season. These checks help identify items that should be repaired or removed from use.

- Unsafe or excessively worn equipment should be removed immediately
- Routine inspections help ensure players are always using equipment that will keep them safe from injury

**Best Practice:** Teach players to do quick self-checks of their helmets and gear before practices and games. Helping players look for cracks, loose padding, or missing pieces builds good habits and supports a shared culture of safety.

## Additional information provided by your league:

Coaches are reminded to ensure their players are using only USA-certified bats.

### Equipment Safety Resources:

- Equipment and Facility Check-Ups (<https://www.littleleague.org/university/articles/make-regular-equipment-facility-check-ups-a-year-round-endeavor-for-your-league-or-district/>)

# FACILITY SAFETY

Safe, well-maintained facilities help create a positive experience for players, families, and volunteers. Your league has shared the steps it takes to help keep playing conditions safe throughout the season.

## Seasonal Facility Inspection

ALBANY NATIONAL LL completes a thorough review of all fields and facilities at the beginning and end of each season. This inspection helps the league:

- Identify needed repairs
- Document safety concerns
- Plan for maintenance or improvements
- Confirm that fields and common areas are ready for use

## Ongoing Facility Checks

ALBANY NATIONAL LL conducts regular in-season checks to help ensure facilities remain safe and ready for play. These checks typically look for:

- Loose or damaged fencing
- Worn or broken bases
- Slick, uneven, or poorly drained surfaces
- Broken or unstable bleachers
- Lighting or electrical concerns
- Hazards in dugouts, walkways, or spectator areas

## Field Safety

Before every game and practice, fields and dugouts should be reviewed to ensure safe playing conditions. These quick checks help volunteers:

- Spot hazards early
- Prevent injuries
- Address small issues before they become larger concerns
- Confirm that field equipment, playing surfaces, and dugout areas are safe and ready for use

At ALBANY NATIONAL LL, coach or manager carry out field and dugout safety checks before games and practices.

## Annual Little League Facility Survey

Each year, leagues complete the Little League Annual Facility Survey, which records the condition of each field, identifies maintenance or safety needs, and documents key details about layout, features, and emergency equipment.

A report generated from ALBANY NATIONAL LL's completed facility survey is included with this SAFE Summary.

**Best Practice:** Create a simple, shared inspection checklist for coaches and volunteers to use before games and practices. Consistent use of the same checklist helps ensure issues are spotted early and reported quickly.

**Additional information provided by your league:**

National Little League of Albany has approved the following safety code. Members of the Board of Directors, League officers, managers, coaches, and other volunteers must abide by this code, and every adult member of NLL is responsible for observing League rules and otherwise promoting a safe and healthy environment for our children.

**General Safety**

- Each manager, coach, team parent and player shall use their best judgment and care to prevent injury to themselves and others.
- Safety hazards or concerns should be reported to the NLL Safety Officer as soon as possible. Immediate dangers should be reported to the Board Member on Duty.
- Only League-approved managers, coaches, and Board Members on Duty, in addition to players and umpires, are allowed on the playing field or in the dugouts during games and practices.
- At least one manager or coach from each team must attend a coaches meeting/safety meeting.
- First-Aid kits are available in the clubhouse and will be available at each field of play. Additional medical supplies are available in the concession stand. A First-Aid kit must be available at any off-site practice.
- No games or practices will be held when field conditions are unsafe, when light is inadequate, or when weather conditions make play unsafe as determined by the NLL Board. No inning in a game shall begin after 8:30 p.m. EDT.
- No medication shall be administered to any child. Only parents or legal guardians should administer medication as needed.
- No alcohol or illegal drugs are allowed at NLL.
- No smoking or vaping of any kind is permitted anywhere at NLL.
- No pets are allowed on NLL premises.

**Field & Game Safety**

- Prior to every game and team practice, playing fields will be inspected for holes, glass, other debris, and other conditions that would pose a hazard to players' safety. Managers, coaches, umpires, and board members on duty shall perform this inspection, as applicable.
- Managers and coaches may never leave a child unattended during or after a game or practice.
- Equipment must always remain in the dugout. Everyone is responsible for ensuring that equipment is retrieved from the field during games, and the chief umpire will delay the game as necessary to have the equipment removed.
- All foul balls should be returned to the concession stand and never thrown back over the fence.
- On-deck batters are prohibited.
- Batters must wear Little League-approved protective helmets during practices and games.

- Catchers must wear a chest protector with a neck collar, a catcher's helmet with a throat guard and shin guards; males must wear a protective cup. Catcher's equipment must meet Little League standards. A helmet must be worn during pitcher warm-ups and infield practice.
- Managers and coaches may not warm-up a pitcher during a game.
- All upper division (AAA and Majors) games will be played with only official Little League baseballs provided by NLL.
- Metal spikes or cleats are prohibited.
- Equipment is subject to inspection at any time. Managers, coaches, and team safety parents should notify the Safety Officer or Equipment Manager of defective equipment.
- Head-first slides are not permitted, except when returning to a base.
- Male players will be encouraged to wear athletic supporters and protective cups during games and practices.
- Parents of players who wear glasses will be encouraged to provide safety glasses for their children.
- No food is allowed in the dugout at any time.
- Managers should have a phone available at any practice held at a location other than NLL.

#### Batting Cage Safety

- Only one batter is allowed in the batting cage at a time.
- The batting cage may not be used unless supervised by two adults, one of whom must be a manager or coach.
- Batters must always wear proper protective helmets in the batting cage.
- Bats may not be thrown in the batting cage.
- No food or drinks are allowed in the batting cage.
- No warm-up swings are permitted outside of the batting cage.
- The batting cage must be closed when not in use.
- Only approved baseballs may be used in the batting cage.

#### Concession Stand Safety

- Concession stand volunteers must wash their hands after using the restroom and before returning to work.
- No children are permitted inside the concession stand cooking area at any time.

#### Grounds Safety

- No playing is permitted in the equipment shed.
- Fence climbing is prohibited.

- Running on or around the bleachers is prohibited.
- Gates must remain locked at all times when playing fields are not in use.
- No unauthorized use of the playing fields at any time.
- Bicycles, skateboards, and scooters must be walked to a secured area when entering NLL premises: no bicycle or scooter riding or skateboarding is permitted within fenced areas.
- Crosswalks must be used at all times when crossing Partridge Street. It is everyone's responsibility to watch children crossing the street and to direct children to use the crosswalks.
- Players and spectators should always be alert for foul balls and wild throws.

For more information about facility safety at ALBANY NATIONAL LL, or to report a concern, please contact: Grounds committee members and coaches.

**Facility Safety Resources:**

- Day to Day Safety Checklist (<https://www.littleleague.org/university/articles/the-safest-little-league-experience-comes-from-doing-common-tasks/>)
- Pre-Season Facility Checkup (<https://www.littleleague.org/university/articles/conduct-a-facilities-safety-check-before-the-season-starts/>)

# CONCESSION STAND SAFETY

Concession stands add to the game day experience, but they also involve equipment, heat sources, and food handling, all of which require clear safety procedures. The information below summarizes how ALBANY NATIONAL LL helps maintain a safe concession operation throughout the season.

ALBANY NATIONAL LL has confirmed that its concession stand(s):

- Follow all applicable local health and safety regulations
- Provide volunteers with guidance in safe food handling and equipment use
- Maintain a working fire extinguisher that is readily available
- Keep first aid supplies in the concession stand
- Do not allow minors to work in or remain inside the concession stand during operating hours

**Best practice:** Post simple safety reminders inside the concession stand so volunteers can quickly review expectations before each shift, including:

- Handwashing steps
- Safe food temperatures
- Equipment shut-off procedures
- Location of the fire extinguisher
- Emergency contact information

For more information about concession stand safety at ALBANY NATIONAL LL, or to report a concern, please contact: Concessions Manager

## Concession Stand Safety Resources:

- Concession Stand Safety (<https://www.littleleague.org/university/articles/concession-stand-safety-tips-12-steps-to-safe-sanitary-food-service/>)
- Concession Stand Safety Checklist (<https://www.littleleague.org/university/articles/concession-stand-inspection-checklist/>)

# TRAINING & EDUCATION

When volunteers are trained and prepared, it helps to prevent injuries, respond to emergencies, and create a positive experience for everyone involved. This section highlights the volunteer trainings that ALBANY NATIONAL LL requires and encourages.

## **Abuse Awareness Training**

Little League requires all volunteers who undergo a background check to complete Abuse Awareness Training each year. ALBANY NATIONAL LL confirms that all required volunteers complete Abuse Awareness Training each season.

## **Safety Awareness Training (Little League University)**

Safety Awareness Training helps volunteers understand common safety risks, recognize unsafe situations, and take proactive steps to prevent injuries.

ALBANY NATIONAL LL requires Safety Awareness Training for: Not Required in our League.

## **First Aid Awareness Training (Little League University)**

First Aid Awareness Training helps volunteers recognize injuries, respond appropriately, know when to call 911, and take steps to prevent medical emergencies.

ALBANY NATIONAL LL requires First Aid Awareness Training for Not Required in our League.

## **Diamond Leader Training (Little League University)**

Diamond Leader Training supports coaches and volunteers in creating a positive team environment focused on player well-being, sportsmanship, communication, and healthy culture.

ALBANY NATIONAL LL requires Diamond Leader Training for Not Required in our League.

## **Additional Trainings Offered or Encouraged**

ALBANY NATIONAL LL has indicated that it offers or requires the following additional trainings:

- AED Use Training

**Best practice:** Share a simple training plan at the start of the season outlining required courses, who must complete them, and suggested deadlines. Clear expectations help volunteers stay on track.

### **Training and Education Resources:**

- Little League University (LLU) Trainings Overview (<https://www.littleleague.org/university/training/>)
- Little League Abuse Awareness Training (<https://www.littleleague.org/university/articles/abuse-awareness-training-course/>)
- Little League Safety Awareness Training (<https://www.littleleague.org/university/articles/safety-awareness-training-course/>)
- Little League First Aid Awareness Training (<https://www.littleleague.org/university/articles/first-aid-awareness-training-course/>)

# ACCIDENT INSURANCE & INCIDENT REPORTING

Accidents can happen at any time, and being prepared helps leagues support families and volunteers when they do. Understanding and documenting injuries ensures everyone gets the help they need and allows the league to strengthen safety practices for future seasons.

## How to Submit an Accident Claim

If a player or volunteer requires medical treatment after a league-sanctioned activity, families should follow these steps:

1. Download the Accident Claim Form from [LittleLeague.org](http://LittleLeague.org).
2. Provide the claimant's full information, including parent or guardian details if the claimant is a minor.
3. Complete all sections of the form. Missing information causes delays.
4. Include primary insurance information. If the claimant has no insurance, written employer verification is required.
5. Attach itemized medical bills that include dates of service, procedure codes, diagnosis codes, and charges.
6. For dental injuries, submit bills to the primary medical and dental insurer first, then include the insurer's Explanation of Benefits.
7. Have a league official (President, Safety Officer, etc.) complete and sign the League Statement section.
8. Completed claim forms and supporting documents must be mailed. Email and fax submissions cannot be accepted.

Questions about the claim process may be sent to [AccidentClaim@LittleLeague.org](mailto:AccidentClaim@LittleLeague.org).

## Incident Tracking

ALBANY NATIONAL LL documents all injuries and incidents that occur during league activities.

- Reports are completed using the official Little League Incident Tracking Form.
- A designated league officer is responsible for collecting and reviewing each report.
- Reviewing incident information throughout the season helps the league identify trends, address hazards, and strengthen safety practices.

**Best practice:** Monitor incident reports and near-miss situations regularly during the season. Tracking both helps identify emerging patterns, field conditions, equipment problems, or other safety concerns, so the league can take proactive steps to prevent injuries and improve the overall safety of the program.

## Additional information provided by your league:

In addition to the Safety Officer, all significant incidents are reported to the league president.

To report an incident, or for more information about filing an accident claim, please contact: League Safety Officer

**Accident Reporting Resources:**

- Little League Incident Tracking Form (<https://www.littleleague.org/downloads/incident-injury-tracking-form/>)
- AIG Accident Claim Form (<https://www.littleleague.org/downloads/accident-claim-form/>)
- How to File an Accident Claim (<https://www.littleleague.org/university/articles/how-to-submit-an-accident-insurance-claim/>)
- Little League Insurance Program Overview (<https://www.littleleague.org/university/articles/little-league-insurance-programs/>)

# LITTLE LEAGUE RULES & SAFETY BEST PRACTICES

Creating a safe, enjoyable playing environment begins with following Little League's official safety rules and reinforcing practices that protect players, volunteers, and families. ALBANY NATIONAL LL has confirmed that it meets all required safety standards.

## Little League Safety Rules

Little League's official safety rules are designed to prevent injuries and establish consistent expectations across the program. These rules help ensure safe play during practices and games.

Leagues must enforce the following:

- On-deck batters are not permitted in the Majors Division and below
- Batters, base runners, and player base coaches must wear helmets at all times
- Catcher's gear must include a dangling throat guard
- Metal cleats are prohibited in the Majors Division and below
- Disengageable bases are required on all baseball and softball fields
- Head-first sliding while advancing is not permitted in the Majors Division and below
- Pitch count limits and required rest days must be followed in all baseball divisions
- Bats must meet current Little League standards
- Game balls must meet current Little League standards and be in good condition

## Safety Best Practices

In addition to official rules, many leagues adopt extra safety practices that strengthen routines, reinforce expectations, and create a positive environment for players, families, and volunteers.

Common safety best practices include:

- Keeping dugout and field gates closed during play
- Using a double first base on baseball and softball fields
- Reminding players not to throw equipment or swing bats near others
- Reviewing lightning and severe weather procedures with coaches and umpires
- Ensuring each team has emergency contact information available at practices and games
- Leading age-appropriate warm-ups and stretching to reduce injury risk
- Marking spectator areas clearly and keeping them separate from the field
- Encouraging volunteers, parents, and players to model sportsmanlike and respectful behavior
- Sharing safety reminders with families (emails, signage, or meetings)
- Posting safety signage in common areas (e.g., "No Climbing Fences," "Foul Ball Awareness," "AED Located Here")

## **2026 FACILITY SURVEY REPORT**

This report provides an overview of the information submitted by ALBANY NATIONAL LL through the Little League Annual Facility Survey. The survey helps document the condition of each field, identify safety or maintenance needs, and track important facility details such as fencing, bleachers, lighting, emergency equipment, and field use.

The information in this summary reflects the league's responses for each field and is intended to support planning, safety awareness, and ongoing facility improvements throughout the season.
