

MEADVILLE AREA LL 2026 SAFE SUMMARY

League Location: Meadville, PA

League ID: 2380105

MEADVILLE AREA LL 2026 SAFE SUMMARY

Dear Volunteers, Parents/Guardians, and Players:

Meadville Area Youth Baseball and Softball, a chartered Little League is committed to providing a safe, welcoming environment where every player, volunteer, and family feels supported. Safety is an important part of every season, and we believe it is a shared responsibility that helps everyone enjoy the game with confidence and peace of mind.

As part of Little League SAFE, our league has confirmed the steps we take to protect children, prepare volunteers, and maintain safe facilities and playing conditions. From equipment checks and emergency planning to strong child protection practices and volunteer training, our goal is to create a positive, fun, and secure experience for every participant.

Thank you for being part of a community that puts kids first and works together to help ensure a safe, memorable Little League season.

Sincerely,

Meadville Area Youth Baseball and Softball

LEAGUE LEADERSHIP AND CONTACTS

Keeping contact information up to date helps volunteers know exactly who to reach when questions or safety concerns arise.

Primary Contacts

William Dithrich

League President

BILL DITHRICH

District Administrator

wkdith@zoominternet.net

Bill Dithrich

District Safety Officer

wkdith@zoominternet.net

Best Practice: Share a simple "Who to Contact" list with managers, coaches, and volunteers so everyone knows where to go for help during the season.

CHILD PROTECTION

Little League requires every chartered league to follow a set of core child protection policies to help keep children safe. Protecting players is our highest priority, and these policies ensure volunteers understand their responsibilities both on and off the field.

Your league has confirmed that all of the following policies are in place:

1. Annual Background Checks

MEADVILLE AREA LL confirms that all volunteers with regular contact with players complete annual background checks through J.D. Palatine (JDP), as required by Little League Regulation I(c) 8 and 9. Anyone with a disqualifying offense is prohibited from participating in any Little League activity. Background check laws vary across the country, and any additional requirements that apply to your league can be found at <https://www.littleleague.org/player-safety/child-protection-program/state-laws-background-checks-leagues/>. Your league is responsible for understanding and complying with any applicable state laws regarding background checks.

2. Annual Abuse Awareness Training

MEADVILLE AREA LL requires all volunteers to complete the Little League Abuse Awareness Training each year before assuming any duties. This training helps volunteers recognize, prevent, and respond to misconduct and abuse. Little League Abuse Awareness Training can be found at <https://www.littleleague.org/university/articles/abuse-awareness-training-course/>

3. Mandatory Reporting of Child Abuse

MEADVILLE AREA LL acknowledges that all volunteers are mandatory reporters under federal law and must report suspected child abuse, including sexual abuse, to the proper authorities within 24 hours. Reports should also be shared with the League President and District Administrator. State reporting requirements vary, and any laws that apply to your league can be found at <https://www.littleleague.org/player-safety/child-protection-program/state-specific-information-child-abuse/>. Your league is responsible for understanding and complying with any applicable state laws.

4. Non-Retaliation Policy

MEADVILLE AREA LL has adopted a policy that prohibits retaliation against anyone who makes a good-faith report of suspected abuse or misconduct. This ensures volunteers feel safe coming forward with concerns.

5. One-on-One Interaction Policy

MEADVILLE AREA LL has adopted the Little League One-on-One Interaction Policy, which requires that all interactions between adults and minors be observable and interruptible by another adult. This reduces opportunities for misconduct while still supporting positive mentoring relationships.

Best Practice: Reinforce child protection expectations clearly and consistently so volunteers know what to do and who to contact.

- Review expectations with all volunteers at the start of each season.
- Make reporting steps clear and easy to follow.
- Keep child protection policies easily accessible.

Child Protection Resources:

- Little League Abuse Awareness Training (<https://www.littleleague.org/university/articles/abuse-awareness-training-course/>)
- Full Little League Child Protection Program (<https://www.littleleague.org/player-safety/child-protection-program/>)
- State-Specific Background Check Laws (<https://www.littleleague.org/player-safety/child-protection-program/state-laws-background-checks-leagues/>)
- State - Specific Mandatory Reporting Laws (<https://www.littleleague.org/player-safety/child-protection-program/state-specific-information-child-abuse/>)
- J.D.Palatine(JDP) Background Checks (<https://www.littleleague.org/player-safety/child-protection-program/local-league-background-check-information/>)
- USA Baseball – Abuse Awareness Resources (<https://usabdevelops.com/page/4834/base>)
- U.S.Center for SafeSport – Reporting and Education (<https://www.littleleague.org/player-safety/child-protection-program/safesport-resources-parents/>)
- ChildHelp National Child Abuse Hotline (1-800-4-A-CHILD)

EMERGENCY PREPAREDNESS

Being prepared for unexpected situations helps keep players, volunteers, and families safe. The information below highlights the emergency procedures and contacts in place during all league activities.

Emergency Contacts

- In any emergency situation, volunteers should immediately **call 911**
- Poison Control is also available nationwide at **1-800-222-1222**

Local Emergency Contacts

- **Police Department:** (814) 336-1005
- **Urgent Care:** (814) 337-2273
- **Local Hospital:** (814) 333-5000

Emergency Action Plan

Emergencies can happen when you least expect them. A clear and accessible EAP helps volunteers respond quickly, communicate effectively, and take the right steps to keep players and families safe.

MEADVILLE AREA LL has not yet developed an Emergency Action Plan.

Emergency Preparedness Resources:

- Little League Lightning & Severe Weather Safety Guidelines
(<https://www.littleleague.org/university/articles/staying-safe-from-lightning-at-the-field/>)

FIRST AID & INJURY PREVENTION

A prepared volunteer is better equipped to respond when injuries or medical situations occur. Below is an overview of the first aid training, equipment, and safety practices in place for the season.

First Aid Training

First aid training helps volunteers respond effectively when injuries or emergencies happen. These trainings reinforce skills such as:

- Treating minor injuries
- Managing bleeding and nosebleeds
- Recognizing potential fractures or serious injuries
- Identifying head-injury symptoms
- Responding to heat-related illness
- Treating allergic reactions
- Knowing when to call 911

First aid training requirements for MEADVILLE AREA LL:

- Little League First Aid Awareness Training: **Recommended**
- Formal First Aid Certification: **Not Offered**
- CPR Certification and AED Use Training: **Not Offered**

First Aid Kits

Accessible first aid supplies help volunteers respond quickly when an injury occurs. Keeping first aid kits stocked and easy to reach helps volunteers respond quickly during games and practices. Every team in MEADVILLE AREA LL has a first aid kit available at games and practices.

Recommended First Aid Kit Contents:

- Adhesive bandages (various sizes)
- Sterile gauze pads and rolled gauze
- Antiseptic wipes
- Instant cold packs
- Elastic wraps
- Tweezers and disposable gloves
- Nosebleed supplies (gauze, tissues)
- Small splint or finger splint
- CPR mask or face shield
- Allergy/sting relief wipes
- Cold Packs
- Tape and scissors

Best Practice: Each team should receive its first aid kit at the start of the season. First aid kits should travel with the team and be kept in an easy-to-reach spot during both games and practices.

Concussion Awareness

MEADVILLE AREA LL has confirmed that it follows required concussion training and has a protocol in place for recognizing and responding to potential head injuries during practices and games. Little League encourages all volunteers to follow the "When in doubt, sit them out" approach so players are removed from play immediately if a concussion is suspected.

Common signs and symptoms of a possible concussion include:

- Headache or pressure in the head
- Dizziness or balance problems
- Confusion, memory issues, or appearing "out of it"
- Nausea or vomiting
- Blurred vision or sensitivity to light or noise
- Behavior that seems unusual for the player

State concussion laws vary across the country. Some apply only to school athletics, while others apply to all youth sports organizations. State-specific information can be found at: <https://www.littleleague.org/player-safety/concussions-youth-athletes/>. Your league is responsible for understanding and complying with any applicable state laws.

Best Practice: If a concussion is suspected, volunteers should follow these steps:

- Remove the player from play immediately
- Ensure the player is monitored by an adult
- Refer the player to a licensed health care professional for evaluation
- Do not allow return to play on the same day
- Require written medical clearance before the player resumes practices or games

Access to Automated External Defibrillators (AED)

AEDs can play a lifesaving role during sudden cardiac emergencies, and clear access helps volunteers respond quickly when every second matters.

MEADVILLE AREA LL has reported that it does not currently have any AEDs available and is working toward establishing an AED program.

Best Practice: AEDs are most effective when:

- Volunteers know the exact location of each device
- Devices are accessible during practices and games
- Batteries and pads are checked and replaced as needed
- Multiple volunteers are trained in basic AED use

State laws addressing AED access and sudden cardiac arrest (SCA) training can vary across the country. Some requirements apply only to school facilities or interscholastic athletics, while others extend to youth sports organizations or municipal fields. State-specific requirements for AEDs can be found at:

<https://www.littleleague.org/player-safety/state-laws-on-automated-external-defibrillators/>

State specific requirements for SCA training can be found at: <https://www.littleleague.org/player-safety/state-laws-on-sudden-cardiac-arrest-training/>.

Your league is responsible for understanding and complying with any applicable state laws.

Additional information provided by your league:

Medical Emergency Procedures

1. Give first aid, and if professional medical treatment is needed, call 911.
2. Notify a parent immediately if a player is injured or ill.
3. Complete an Incident/Injury Tracking Report, and deliver the report to the MAYBS safety officer within 48 hours of incident.
4. If applicable, the Little League Baseball and Softball Accident Notification Form must be completed by a parent and the MAYBS safety officer. This claim must be forwarded to Little League Headquarters within 20 days of injury.
5. Discuss the incident with those present. Use the event as a learning opportunity. Some players may be upset by the accident and in need of reassurance.

First Aid Training Requirements

1. Every year, at least one (1) manager or coach from each team in the MAYBS program must attend a first aid clinic.
2. Every manager and coach must attend a first aid clinic at least once every three (3) years. (Participation shall be documented.)
3. Annual training is provided by Pennsylvania District 1 Little League to the leagues of District 1 with a trainer from Crawford County Sports Medicine.
4. The first aid clinic shall include comprehensive training, including required information relating to concussions.
5. The MAYBS safety officer shall issue to all managers a sports first aid kit, which must be present at all MAYBS practices and games.

First Aid & Injury Prevention Resources:

- First Aid Kit Checklist (<https://www.littleleague.org/university/articles/first-aid-kits-an-items-list/>)
- Little League First Aid Awareness Training (<https://www.littleleague.org/university/articles/first-aid-awareness-training-course/>)
- CDC Heads Up – Concussion Resources (<https://www.cdc.gov/heads-up/>)
- State-Specific Concussion Laws (<https://www.littleleague.org/player-safety/concussions-youth-athletes/>)
- State-Specific AED Laws (<https://www.littleleague.org/player-safety/state-laws-on-automated-external-defibrillators/>)
- State-Specific SCA Training Laws (<https://www.littleleague.org/player-safety/state-laws-on-sudden-cardiac-arrest-training/>)

EQUIPMENT SAFETY

Safe, well-maintained equipment helps prevent injuries and supports a positive playing experience. The information below reflects how playing equipment is inspected and monitored throughout the season.

Batting Helmets

All batting helmets must be NOCSAE-certified and free of cracks, dents, or deteriorating padding.

- Helmets are inspected at the start of the season and as needed
- Damaged or ill-fitting helmets are removed from use immediately
- Non-OEM (non-manufacturer) modifications are prohibited
- Properly fitted, undamaged helmets play an important role in preventing head injuries

Catcher's Gear

Catcher's equipment must be complete, well-maintained, and properly fitted for each player. A full set includes:

- Helmet with full face mask
- Dangling throat guard (required)
- Chest protector
- Leg guards

Equipment Inspections

At MEADVILLE AREA LL, coach or manager carry out regular equipment inspections throughout the season. These checks help identify items that should be repaired or removed from use.

- Unsafe or excessively worn equipment should be removed immediately
- Routine inspections help ensure players are always using equipment that will keep them safe from injury

Best Practice: Teach players to do quick self-checks of their helmets and gear before practices and games. Helping players look for cracks, loose padding, or missing pieces builds good habits and supports a shared culture of safety.

Additional information provided by your league:

Equipment Failure Report

What type of equipment is in need of repair/destruction?

bat

glove

helmet

catcher's mask

catcher's helmet

chest protector

shin guards

other

Equipment Safety Resources:

- Equipment and Facility Check-Ups (<https://www.littleleague.org/university/articles/make-regular-equipment-facility-check-ups-a-year-round-endeavor-for-your-league-or-district/>)

FACILITY SAFETY

Safe, well-maintained facilities help create a positive experience for players, families, and volunteers. Your league has shared the steps it takes to help keep playing conditions safe throughout the season.

Seasonal Facility Inspection

MEADVILLE AREA LL completes a thorough review of all fields and facilities at the beginning and end of each season. This inspection helps the league:

- Identify needed repairs
- Document safety concerns
- Plan for maintenance or improvements
- Confirm that fields and common areas are ready for use

Ongoing Facility Checks

MEADVILLE AREA LL conducts regular in-season checks to help ensure facilities remain safe and ready for play. These checks typically look for:

- Loose or damaged fencing
- Worn or broken bases
- Slick, uneven, or poorly drained surfaces
- Broken or unstable bleachers
- Lighting or electrical concerns
- Hazards in dugouts, walkways, or spectator areas

Field Safety

Before every game and practice, fields and dugouts should be reviewed to ensure safe playing conditions. These quick checks help volunteers:

- Spot hazards early
- Prevent injuries
- Address small issues before they become larger concerns
- Confirm that field equipment, playing surfaces, and dugout areas are safe and ready for use

At MEADVILLE AREA LL, coach or manager carry out field and dugout safety checks before games and practices.

Annual Little League Facility Survey

Each year, leagues complete the Little League Annual Facility Survey, which records the condition of each field, identifies maintenance or safety needs, and documents key details about layout, features, and emergency equipment.

A report generated from MEADVILLE AREA LL's completed facility survey is included with this SAFE Summary.

Best Practice: Create a simple, shared inspection checklist for coaches and volunteers to use before games and practices. Consistent use of the same checklist helps ensure issues are spotted early and reported quickly.

- Pre-Season Facility Checkup (<https://www.littleleague.org/university/articles/conduct-a-facilities-safety-check-before-the-season-starts/>)

CONCESSION STAND SAFETY

Concession stands add to the game day experience, but they also involve equipment, heat sources, and food handling, all of which require clear safety procedures. The information below summarizes how MEADVILLE AREA LL helps maintain a safe concession operation throughout the season.

MEADVILLE AREA LL has confirmed that its concession stand(s):

- Follow all applicable local health and safety regulations
- Provide volunteers with guidance in safe food handling and equipment use
- Maintain a working fire extinguisher that is readily available
- Keep first aid supplies in the concession stand
- Do not allow minors to work in or remain inside the concession stand during operating hours

Best practice: Post simple safety reminders inside the concession stand so volunteers can quickly review expectations before each shift, including:

- Handwashing steps
- Safe food temperatures
- Equipment shut-off procedures
- Location of the fire extinguisher
- Emergency contact information

Additional information provided by your league:

Concession Stand Procedures

1. Maintain complete control over food products, from source to service.
2. A food thermometer must be used to check all internal cooking and holding temperatures of potentially hazardous foods.
3. Beef and pork products must be cooked to an internal temperature of 155 °F, and poultry and fish products must be cooked to an internal temperature of 165 °F.
4. Potentially hazardous foods must be kept at 41 °F or below (if cold) OR 140 °F or above (if hot).
5. Rapidly reheat potentially hazardous foods to 165 °F.
6. Immediately refrigerate potentially hazardous foods, and cool them to 41 °F or below quickly.
7. Store ice used for cooling and ice used in beverages separately.
8. Wash hands with soap and warm water frequently and thoroughly.
9. Handle foods with disposable gloves or with an acceptable utensil.
10. Those who prepare or handle food must be in good health and must maintain good personal hygiene.
11. Cleanse dishes and utensils in a four-step process: a) Wash in hot, soapy water; b) Rinse in hot, clean water; c) Sanitize with a chemical; and d) Air dry.
12. Sanitize work surfaces frequently, rinsing and storing wiping cloths in a bucket of water and chlorine bleach (1 gallon of water and 1/2 teaspoon of bleach).
13. Cover foods to protect them from insects, while remembering to place garbage in an acceptable container with a tight-fitting lid.
14. Store foods at least six inches off the floor.
15. Discard unusable food and clean the concession area after each event.

Also posted in concession stand.

For more information about concession stand safety at MEADVILLE AREA LL, or to report a concern, please contact:
Concessions Manager

TRAINING & EDUCATION

When volunteers are trained and prepared, it helps to prevent injuries, respond to emergencies, and create a positive experience for everyone involved. This section highlights the volunteer trainings that MEADVILLE AREA LL requires and encourages.

Abuse Awareness Training

Little League requires all volunteers who undergo a background check to complete Abuse Awareness Training each year. MEADVILLE AREA LL confirms that all required volunteers complete Abuse Awareness Training each season.

Safety Awareness Training (Little League University)

Safety Awareness Training helps volunteers understand common safety risks, recognize unsafe situations, and take proactive steps to prevent injuries.

MEADVILLE AREA LL requires Safety Awareness Training for: League Officers/Board Members, Managers and Coaches, All Other Volunteers.

First Aid Awareness Training (Little League University)

First Aid Awareness Training helps volunteers recognize injuries, respond appropriately, know when to call 911, and take steps to prevent medical emergencies.

MEADVILLE AREA LL requires First Aid Awareness Training for League Officers/Board Members, Managers and Coaches, All Other Volunteers.

Diamond Leader Training (Little League University)

Diamond Leader Training supports coaches and volunteers in creating a positive team environment focused on player well-being, sportsmanship, communication, and healthy culture.

MEADVILLE AREA LL requires Diamond Leader Training for Managers and Coaches.

Additional Trainings Offered or Encouraged

MEADVILLE AREA LL has indicated that it offers or requires the following additional trainings:

- Coaching Skills & Game Fundamentals Training

Best practice: Share a simple training plan at the start of the season outlining required courses, who must complete them, and suggested deadlines. Clear expectations help volunteers stay on track.

Training and Education Resources:

- Little League University (LLU) Trainings Overview (<https://www.littleleague.org/university/training/>)
- Little League Abuse Awareness Training (<https://www.littleleague.org/university/articles/abuse-awareness-training-course/>)
- Little League Safety Awareness Training (<https://www.littleleague.org/university/articles/safety-awareness-training-course/>)
- Little League First Aid Awareness Training (<https://www.littleleague.org/university/articles/first-aid-awareness-training-course/>)

ACCIDENT INSURANCE & INCIDENT REPORTING

Accidents can happen at any time, and being prepared helps leagues support families and volunteers when they do. Understanding and documenting injuries ensures everyone gets the help they need and allows the league to strengthen safety practices for future seasons.

How to Submit an Accident Claim

If a player or volunteer requires medical treatment after a league-sanctioned activity, families should follow these steps:

1. Download the Accident Claim Form from LittleLeague.org.
2. Provide the claimant's full information, including parent or guardian details if the claimant is a minor.
3. Complete all sections of the form. Missing information causes delays.
4. Include primary insurance information. If the claimant has no insurance, written employer verification is required.
5. Attach itemized medical bills that include dates of service, procedure codes, diagnosis codes, and charges.
6. For dental injuries, submit bills to the primary medical and dental insurer first, then include the insurer's Explanation of Benefits.
7. Have a league official (President, Safety Officer, etc.) complete and sign the League Statement section.
8. Completed claim forms and supporting documents must be mailed. Email and fax submissions cannot be accepted.

Questions about the claim process may be sent to AccidentClaim@LittleLeague.org.

Incident Tracking

MEADVILLE AREA LL documents all injuries and incidents that occur during league activities.

- Reports are completed using the official Little League Incident Tracking Form.
- A designated league officer is responsible for collecting and reviewing each report.
- Reviewing incident information throughout the season helps the league identify trends, address hazards, and strengthen safety practices.

Best practice: Monitor incident reports and near-miss situations regularly during the season. Tracking both helps identify emerging patterns, field conditions, equipment problems, or other safety concerns, so the league can take proactive steps to prevent injuries and improve the overall safety of the program.

Additional information provided by your league:

What Parents Should Know About Little League® Insurance

WARNING: Protective equipment cannot prevent all injuries a player might receive while participating in Meadville Area Youth Baseball and Softball.

The Little League Insurance Program is designed to afford protection to all participants at the most economical cost to the local league. The Little League Player Accident Policy is an excess coverage, accident only plan, to be used as a supplement to other insurance carried under a family policy or insurance provided by parent's employer. If there is no primary coverage, Little League insurance will provide benefits for eligible charges, up to Usual and Customary allowances for our area, after a \$50.00 deductible per claim, up to the maximum stated benefits.

This plan makes it possible to offer exceptional, affordable protection with assurance to parents that adequate coverage is in force for all chartered and insured Little League approved programs and events.

If your child sustains a covered injury while taking part in a scheduled Little League Baseball or Softball game or practice, here is how the insurance works:

1. The Little League Baseball and Softball accident notification form must be completed by parents (if the claimant is under 19 years of age) and a league official and forwarded directly to Little League Headquarters within 20 days after the accident. A photocopy of the form should be made and kept by the parent/claimant. Initial medical/dental treatment must be rendered within 30 days of the Little League accident.
2. Itemized bills, including description of service, date of service, procedure and diagnosis codes for medical services/supplies and/or other documentation related to a claim for benefits are to be provided within 90 days after the accident. In no event shall such proof be furnished later than 12 months from the date the initial medical expense was incurred.
3. When other insurance is present, parents or claimant must forward copies of the Explanation of Benefits or Notice/Letter of Denial for each charge directly to Little League Headquarters, even if the charges do not exceed the deductible of the primary insurance program.
4. Policy provides benefits for eligible medical expenses incurred within 52 weeks of the accident, subject to Excess Coverage and Exclusion provisions of the plan.
5. Limited deferred medical/dental benefits may be available for necessary treatment after the 52-week time limit when:
 - (a) Deferred medical benefits apply when necessary treatment requiring the removal of a pin /plate, applied to transfix a bone in the year of injury, or scar tissue removal, after the 52-week time limit is required. The Company will pay the Reasonable Expense incurred, subject to the Policy's maximum limit of \$100,000 for any one injury to any one Insured. However, in no event will any benefit be paid under this provision for any expenses incurred more than 24 months from the date the injury was sustained.
 - (b) If the Insured incurs Injury, to sound, natural teeth and Necessary Treatment requires treatment for that Injury be postponed to a date more than 52 weeks after the injury due to, but not limited to, the physiological changes of a growing child, the Company will pay the lesser of: 1. A maximum of \$1,500 or 2. Reasonable Expenses incurred for the deferred dental treatment.

Reasonable Expenses incurred for deferred dental treatment are only covered if they are incurred on or before the Insured's 23rd birthday. Reasonable Expenses incurred for deferred root canal therapy are only covered if they are incurred within 104 weeks after the date the Injury occurs.

No payment will be made for deferred treatment unless the Physician submits written certification, within 52 weeks after the accident, that the treatment must be postponed for the above stated reasons.

Benefits are payable subject to the Excess Coverage and the Exclusions provisions of the Policy.

Hopefully this summary has been helpful in a better understanding of an important aspect of the operation of the Little League endorsed insurance program.

To report an incident, or for more information about filing an accident claim, please contact: League President

LITTLE LEAGUE RULES & SAFETY BEST PRACTICES

Creating a safe, enjoyable playing environment begins with following Little League's official safety rules and reinforcing practices that protect players, volunteers, and families. MEADVILLE AREA LL has confirmed that it meets all required safety standards.

Little League Safety Rules

Little League's official safety rules are designed to prevent injuries and establish consistent expectations across the program. These rules help ensure safe play during practices and games.

Leagues must enforce the following:

- On-deck batters are not permitted in the Majors Division and below
- Batters, base runners, and player base coaches must wear helmets at all times
- Catcher's gear must include a dangling throat guard
- Metal cleats are prohibited in the Majors Division and below
- Disengageable bases are required on all baseball and softball fields
- Head-first sliding while advancing is not permitted in the Majors Division and below
- Pitch count limits and required rest days must be followed in all baseball divisions
- Bats must meet current Little League standards
- Game balls must meet current Little League standards and be in good condition

Safety Best Practices

In addition to official rules, many leagues adopt extra safety practices that strengthen routines, reinforce expectations, and create a positive environment for players, families, and volunteers.

Common safety best practices include:

- Keeping dugout and field gates closed during play
- Using a double first base on baseball and softball fields
- Reminding players not to throw equipment or swing bats near others
- Reviewing lightning and severe weather procedures with coaches and umpires
- Ensuring each team has emergency contact information available at practices and games
- Leading age-appropriate warm-ups and stretching to reduce injury risk
- Marking spectator areas clearly and keeping them separate from the field
- Encouraging volunteers, parents, and players to model sportsmanlike and respectful behavior
- Sharing safety reminders with families (emails, signage, or meetings)
- Posting safety signage in common areas (e.g., "No Climbing Fences," "Foul Ball Awareness," "AED Located Here")

Additional information provided by your league:

Machinery Operation Policy

1. Machinery may only be operated by appointed service members.
2. A person must hold a valid driver's license to be considered for appointment.
3. Machinery must never be operated in a reckless manner.
4. Passengers are prohibited.
5. Machinery must never be operated by anyone who is under the influence of alcohol or drugs, including certain medications.

Mower/Equipment Safety Rules

1. Never make adjustments or repairs with the engine running.
2. Be sure the area is clear of other people before mowing. STOP if anyone enters the area.
3. Never carry passengers.
4. Do NOT mow in reverse.
5. ALWAYS look down and behind BEFORE and WHILE backing.
6. Remove rocks, tree limbs, cans, etc. before mowing.
7. Always check the oil in the mowers before use.
8. ONLY adults operate mowers. NO children/others are allowed to ride along with operator of riding mowers.
9. Please report damage or trouble with the mowers so they can be repaired.
10. You MUST wear safety glasses when using weed eater.

2026 FACILITY SURVEY REPORT

This report provides an overview of the information submitted by MEADVILLE AREA LL through the Little League Annual Facility Survey. The survey helps document the condition of each field, identify safety or maintenance needs, and track important facility details such as fencing, bleachers, lighting, emergency equipment, and field use.

The information in this summary reflects the league's responses for each field and is intended to support planning, safety awareness, and ongoing facility improvements throughout the season.
